Dear Sir:

I have recently become interested in the Christian Anti-Communism Crusade. From the rather limited information that I have obtained regarding the work of this organization, it seems to me to be an effective method of awakening the American people to the dangers of Communism.

I would like to know whether this organization is backed by any organization or individuals who do not represent the best interests of this country. I would also appreciate an expression from you regarding the effectiveness of this "study group" approach in the fight against Communism.

I was recently placed on the mailing list of an orginization that calls itself, The Christian anti comunism Crusade.

Iam interested of course in the fight against comunism. but I would not care to be associated with an irresponsible organization. I sincerely doubt that I shall ever allow myself to be associated with this Organization but I do know of people that are involved.

I was wondering if youhave any information on this orginazation. also if you have a list of the subversive orgirizations operating in the united states.

If you do not have such a list perhaps you can refer me to where I can obtain one. Thank You

ReBulet let to [redacted] 4/26/61 acknowledging her request for one thousand copies of FBI publications for distribution and indicating she has been in correspondence with this office. The Bureau advised [redacted] that due to the limitations of its printing facilities and budgetary considerations it would not be possible to furnish her the material she desired.

I thought the Bureau would want to know in the event of further correspondence from [redacted] that in March she telephonically contacted me from Lafayette, Indiana, requesting approximately 200 of the posters, "What You Can Do to Fight Communism," for use by her in a school PTA group. She acknowledged receipt from this office of the 200 posters and then indicated that Lafayette, Indiana, had many civic, school, church and university groups interested in fighting Communism and "we can promise wide distribution for as many as we can get," referring to her request for further printed material. I caused her to be contacted by a Special Agent so that we could tactfully determine specifics as I did not feel we should merely furnish [redacted] with material of such quantity without knowing specifics on distribution and other data. She was personally contacted by a Special Agent on 4/21/61, and she stated she was a member of a local study group and that from time to time the group undertakes programs or projects for the purpose of making people realize the threat of worldwide Communism, and at the time she had no specific program in mind for the distribution of further material.

CLOTHING FOR THE ENTIRE FAMILY

ATLANTA, TEXAS May 9, 1961

Mr. John Edgar Hoover, Director
Federal Bureau of Investigation
Washington 25, D. C.

Dear Mr. Hoover:

I have recently received some literature from the Christian Anti-Communism Crusade of Houston, Texas, which I am considering using as a basis for a lecture that I am planning to give on the evils of communism. I feel that all American citizens should be awakened to the dangers of this insidious enemy, but I want to be sure that I am using legitimate material rather than false propaganda put out by a communist front group. I would like to know if this organization has the sanction of the FBI.

I have recently heard several good loyal Americans say that they do not believe that all of communism is bad; that we are being fed propaganda to hate communism just as the communists are teaching others to hate us. I am sure that there must be many people in this country who feel the same way, and while they do not wish to live under communism, they simply do not understand communism for the evil thing that it is and how it seeks to destroy us.

A question they raise many times is how communism can have so much appeal for intellectuals. I do not understand myself how people who have good minds are taken in by the communist line, especially when they are people who enjoy the freedoms of our land.

Another question that disturbs me is that, even if I am successful in arousing those who hear my lecture to the dangers of communism, what will I have accomplished? What can we, as individual citizens, do to combat this menace when our own government leaders seem powerless to do anything. Krushchev and his Communist Party have the initiative and call all the shots, while we in the United States sit back and wonder where they will stir up trouble next. To alert my fellow countrymen to the seriousness of the communist threat might cause them to worry a bit, but merely worrying over the situation could hardly be an effective weapon. Where do we go from there?

94-2-2868-157

Any information and suggestions you may have to offer will be greatly appreciated.

Attention: J. Edgar Hoover, Director

Dear Mr. Hoover:

Knowing of your sincere concern over the serious threat of Communism to our free country, we would like your personal opinion of the fidelity of Dr. Fred Schwarz, President of the Christian Anti-Communism Crusade.

There are no doubts in our minds, as to the great work Dr. Schwarz and his wonderful team are doing. My sister and I were among the fortunate who were able to attend Dr. Schwarz, Orange County School of Anti-Communism, held at the Disneyland Hotel, on March, 6 thru March 10, 1961 in Anaheim, California.

Dr. Schwarz has inspired us, as well as many others to do something in combating this dreadful Communism. Because of this school we attended, and all of the wonderful lectures we heard, presented by Dr. Schwarz and his team, my sister and I have purchased the complete set of tapes of the lectures that were given there.

Last week we held a small gathering in my home for those interested in learning about Communism and the strategy used in fighting it. There was an agitator in the group who is casting doubts in the minds of these people, who know very little about Communism but are eager to learn the truth about it, and it's threats to our free society. It is difficult to believe we would have to defend Dr. Schwarz, who we feel has already proved himself as a dedicated Christian so strongly opposed to Communism. We feel this agitator is getting false information from an unreliable source. And we would like to "nip it in the bud", so to speak. Your opinion, which is so highly respected by true Americans, could clear the air for us and we could accomplish the task which we have set out to do, to a greater advantage. God bless you for the good you have done and are doing for our country, we are so thankful in having a man of such quality and strength behind our cause. We would appreciate a word of commendation concerning Dr. Schwarz, as soon as possible, we would especially appreciate it if you would send a wire, collect, as time is so important here.

Respectfully yours

INFORMATION CONCERNING
(INTERNAL SECURITY)

Reurairtel 5/26/61.

Neither Dr. Schwartz nor the Christian Anti-Communist Crusade have been investigated by the Bureau and Bureau files contain no identifiable information of a derogatory nature concerning them. Schwartz is reportedly a physician from Australia who has been described as a consistent opponent of communism since 1949. He has been touring the country during the past several years lecturing on communism.

Dr. Schwartz has been described as an opportunist who would trade on the Bureau's name wherever possible; therefore, we have discouraged giving Bureau material concerning communism to him and his organization.

Dear Mr. Hoover:

In reply to your letter of April 27, 1961 wherein you state that reprints of your message to All Law Enforcement Officials (Reprinted from FBI Law Enforcment Bulletin, March, 1960) is not currently available from that Bureau; is this a criticism of me or the Tyler Freedom Forum in regard to our activies? The bulletin that I requested had been sent to this area in the amount that I requested, and in lesser amounts to others, and in single copies at least since my request was turned down.

b6
b7C

I assumed from your letter that it was perhaps of an Executive Order that the material was no longer available, but since it has been sent to the area since then I pose my question.

I am inclosing a sheet on myself and a sheet from the Greenville Banner about our Freedom Forum there May 10th. I speak from 1 to 3 times a day on the subject of Communism. I quote word for word from the Law Enforcment Bulletin and from the first page of "Communist Illusion and Democratic Reality" as I have memorized these and do not use notes to speak.

Sincerely Yours,

Bill Moore

Patriotism Needed To Combat Reds

By DAVE HEARNE

Throngs of high school youths from area schools nearly filled the main floor seats of Municipal Auditorium Wednesday morning as the first session of an all-day Freedom Forum began. Rev. Bill Moore, Tyler minister, called for a return to God in order to combat the menace of communism.

Old-fashioned patriotism is a necessity, the Rev. Mr. Moore told students. "Our leadership depends upon the new generation and many say patriotism doesn't register with them. But we are now in World War III and the life of our nation is at stake."

"The American Government is sick," according to Shirley Simons Jr., second speaker at the Hunt County Freedom Forum Wednesday.

Mr. Simons spoke on the subject "Decline of the American Republic", and gave personal irresponsibility as the basic sickness that has "dismantled" the American government.

As long as the concern is for symptoms of this disease and not for the cure of the disease, there can be cure, he elaborated.

A film strip, "Communism on the Map," was shown prior to the welcome extended by S. M (Mac) Jones, Chamber of Commerce president, Bobby Smith, JayCee president, and Harold Payne forum moderator.

Shirley Simons, Jr., Tyler architect, was scheduled to speak at 10:45 a.m. followed by Richard Harvey, Tyler, at 1:30 p.m.; Dr. Robert Morris, University of Dallas president, at 2 p.m.; John Hardin, Tyler, at 3:30 p.m., and W. P. Strube, Jr., Houston, at 7:30 p.m. and 8:30 p.m. sessions.

Mr. Strube will speak on "War or Peace" and "A Positive Program for Winning the War Against Communism" tonight at the auditorium.

America will not be free by 1973, the Rev. Mr. Moore said, if the international communist conspiracy succeeds. The former U.S. Ranger, who served with the 45th Division in World War II, cited J. Edgar Hoover, FBI chief, in stressing the seriousness of the "present world crisis."

"I am concerned for our nation. Lenin began with only a handful of followers and communism now controls a billion people and one-fourth of the world's land."

This advance is the result of a planned "Criminal Communist Conspiracy" the speaker reminded students. He cited loss of liberty over the world and said freedom even in the U. S. "is not what it used to be."

Demoralization and encirlement are the keys to the communist plan, the Rev. Mr. Moore explained. He noted the fall of Cuba to the communist orbit and said Mexico is "being swept with communist propaganda."

More information to other countries and in the United States about the communist threat is urgently needed, it was added. "The students and intellectuals are the target of this conspiracy and we must combat it with truth now."

The Rev. Mr. Moore called for a "return to God" as the answer in the fight against "atheistic communism."

Schools represented at the forum sessions Wednesday included Greenville, Royse City, Bland, Community, Boles Home, Lone Oak, Quinlan, Wolfe City, Caddo Mills, Celeste and Campbell.

SUBJECT: REVEREND BILL MOORE
SOUTHERN OAKS BAPTIST CHURCH

TYLER, TEXAS
REQUEST FOR REPRINT MATERIAL FOR
TYLER FREEDOM FORUM

By letter of May 15 the above-captioned individual referred to our previous correspondence to him dated April 27, 1961, in which we advised him that the material he desired (100 copies of "An Analysis of the 17th National Convention of the CP, USA and Introduction 3-60 LEB") was not currently available. He questions whether this reply is criticism of him or the Tyler Freedom Forum. He states he raises these questions because he has determined that the reprint in question was sent to his area in the amount that he requested, in lesser amounts to others and in single copies since his request was turned down by the FBI.

He also enclosed a resume of his education, religious background, etc., in addition to a newspaper clipping from the May 10 issue of the Greenville Banner, Greenville, Texas. This clipping describes a speech by Reverend Moore on the morning of May 10 in connection with an all-day Freedom Forum. In addition to others, Mr. W.P. Strube, Jr. of Houston was listed as one of the speakers on communism. According to the article, Moore cited the Director in stressing the seriousness of the present world crisis.

By letter of April 20, Moore, using the stationery of his place of business, "Bill Moore Awnings and Venetian Blinds," requested 100 copies of the reprint material described above and stated he is chairman of the speakers bureau of the Tyler Freedom Forum and would like to give out copies of this bulletin to selected people. Bufiles indicated that the Tyler Freedom Forum is associated with the Christian Anti-Communism Crusade. The leader of this group is Dr. Fred Schwarz and W. P. Strube, Jr., is also connected with the Christian Anti-Communism Crusade. This organization sponsors many schools on anticommunism throughout the country particularly in California and Texas, and it came to the Bureau's attention that Schwarz was attempting to capitalize on the Bureau's reputation by handling out reprint material at the schools he was sponsoring. At the same time

he was making several strong pitches for the sale of books and other material written by his organization. Because of this any requests for reprint material by Schwarz or other members of his group were turned down to prevent taking advantage of the Bureau's prestige.

OBSERVATIONS:

It appears that those individuals associated with the Christian Anti-Communism Crusade are becoming aware that the Bureau does not desire to furnish them reprint material on communism. Of course, this policy should be continued. It does not appear any purpose would be served in answering Moore's communication as he is obviously trying to embroil the FBI into a war with the "vigilante" groups.

RECOMMENDATION:

No acknowledgement be made to Moore's communication.

Dear Mr. Hoover: ochristian Anti-Communist Crus.

I have written before for literature concerning the fight against Communism. My husband and I are local study group leaders and since we are the only group in our town we are receiving a lot of requests for information and we are about to get four or five more groups launched into a study plan.

When people ask us what can I do we have been trying to supply them with information to stimulate their interest and to start them to thinking and reading. We are sending to the Allen Bradley Co. for three hundred copies of the testimony of Dr. Fred Swartz to the HUAC. We think your paper "How To Beat Communism" is excellent because it says what a single person should do. In interesting groups and single people we would like to use these two pieces of information together.

Could you give me the cost or would it be possible to purchase these copies from your office? We do not wish to place undue hardship on your budget but would if possible like to secure these papers.

Very truly yours,

Bureau material has been made available to Dr. Frederick C. Schwarz and others affiliated with the Christian Anti-Communism Crusade. Sullivan to Belmont memo of 9-22-60 indicates that when a representative of the Bureau spoke before the Dallas Freedom Forum in September (which sponsored a school on communism at that time directed by Dr. Schwarz), the Agent commented that Schwarz made several "pitches" for articles in a book he had written on communism and his publications were displayed. Neither he nor his organization has been investigated by the Bureau. At the present time, we are discouraging the distribution of material to this organization and those affiliated with it.

Dear Sirs:

I am interested in Knowing how an organization stands with the government. This organization is called the Christian Anti-Communism Crusade. Is it considered subversive? Should their literature be distributed to our youth to educate them to the Communist threat?

I would like to actively support this group, but would first like to clear them through my government.

Sincerely,

/s/ [redacted]

Gentlemen:

I wonder if you can tell me anything about the status of an organization known as "Christian Anti-Communism Crusade", which gives its address as Box 890, Long Beach, 1, California.

The reason I am asking is that a short time ago I received a copy of its New Letter and other matter in the mail and was about to consign it to the wastebasket, as I usually do with these circulars, when my attention was drawn to a small pamphlet insert entitled "Insurance Against Communism", being an address given by the organization's executive director, Dr. Fred Schwarz, before the members of the Texas Life Insurance Group at a meeting at the Statler Hilton Hotel in Dallas. I got interested in reading this and was very much impressed with its soundness and, if the organization is reputable and endorsed by your office, I might want to do something about supporting it.

I assume you no doubt have a copy of the pamphlet to which I refer but if not, I will be glad to send you the one I have.

Yours very truly,

The Director had noted that [redacted] and his wife be invited in. No indication that correspondent is identical with above mentioned [redacted] Bureau material has been made available to Dr. Frederick C. Sullivan to Belmont memo of 9-22-60 indicates that when a representative of the Bureau spoke before the Dallas Freedom Forum in September (which sponsored a school on communism at that time directed by Dr. Schwarz), the Agent commented that Schwarz made several "pitches" for articles in a book he had written on communism and his publications were displayed. Neither he nor his organization has been investigated by the Bureau. At the present time, we are discouraging the distribution of material to this organization and those affiliated with it.

Dear Mr. Hoover,

Recently, I have become aware of the Christian Anti-Communism Crusade, of which Dr. Fred C. Schwarz is president, with their main office in Long Beach, California.

I have read all of the booklets, literature and books written by Dr. Schwarz or others within the organization. Needless to say, as a proud and patriotic American and as a Christian, I have been much impressed by this literature. However, in spite of this informative literature, indeed, because of it, I find myself becoming extremely hesitant to join or support any such organization, including the C. A. C. C., because of Dr. Schwarz' own convincing argument when he tells how many patriotic and well meaning Americans are duped into serving Communism by joining organizations that are seemingly against Communism!

Please do not misunderstand me. I am only trying, as an American and a Christian, to be extremely cautious of any organization I join or support. There are so many "questionable" organizations supposedly fighting communism, (the John Birch Society to name one).

Dr. Schwarz mentions your name and quotes you in some of his literature. Certainly if one man or one organization is above and beyond all question, that man must be you, and that organization, the FBI!

NOTE: The Christian Anti-Communism Crusade and Dr. Schwarz endeavored to capitalize on the Bureau's prestige in connection with running their Anti-Communism schools because of this we are most circumspect in our dealing with them.

The John Birch Society was founded in 12-58 in Indianapolis, Indiana, by Robert H. Welch, Jr., of Belmont, Massachusetts. It is incorporated under laws of State of Massachusetts; is allegedly anti-communist; has chapters throughout the country; and has not been investigated by the Bureau. Welch and the Society in the past have been extremely critical of former President Eisenhower. (62-104401)

The "Los Angeles Times" newspaper 6/21/61 contains an account of a press conference held by Dr. FRED SCHWARZ, head of the CACC at the Biltmore Hotel, Los Angeles, on 6/20/61.

Dr. SCHWARZ is quoted therein as stating that the "fundamental problem is to have a measure of understanding of the nature of communism," which is what his organization is trying to provide through its schools of anti-communism. According to the article, the largest of these schools is scheduled for 8/8-9/1/61 at the Los Angeles Sports Arena and Coliseum.

The article lists the following speakers to appear on the program: Senator THOMAS DODD of Connecticut, Representative WALTER JUDD of Minnesota, nuclear physicist EDWARD TELLER, retired Admiral CHESTER WARD, HERBERT PHILBRICK and W. CLEON SKOUSEN.

According to the article, Dr. SCHWARZ came to Los Angeles to participate in a series of rallies preparatory to the Los Angeles "school" to be held in surrounding communities.

Dear Mr. Hoover;

Forgive me please for taking up your time - but I feel I just have to have my questions answered. And your the only one I can trust for the answers. So please help me !- I desperately need your advice. Their is a study group in my neighborhood - and I have attended their "meetings". They attended the "Christian Anti Communism Crusade" that was conducted by Dr. Fred C. Schwarz here in San Diego - a year or so ago. From that they started a weekly group. The listen to tapes by Schwarz, - Philbrick, ect. also they pass out material - so much of which is yours such as "The Bitter Enemy of Religion" - "Communist Illusion & Democratic Reality" - "One Nations Response to Communism" your book "Masters of Deceit" - also Schwartz's testimony - & on & on !- I truly feel that in reading these & passing them on & asking them to see Operation Abolition, Im trying to do my part as an American. But all I hear is - As one friend put it today - "I know your in an Anti Communist study group - but how do I know it hasn't been inspired by a communist"!. I have had this thrown at me so many times - It seems no one trusts anyone anymore !- And as I came home from our church picnic today - after this was said to me - I asked myself - Am I doing the right thing? - Only God knows of my good intentions and without an answer from him, I have to seek human advice, and as I said (you are the only one Ill take that advice from. Please answer this letter, I declare I give up. Im very confused, maybe I could be leading my friends a stray!

ReBulet 3/8/60 addressed to [redacted] Route 2, Uniondale, Pa., declining an invitation for Bureau speaker.

For the Bureau's information in the event future correspondence should be received from [redacted], he and several associates are engaged in a vigorous anti-Communist campaign in this area. A quantity of literature distributed by him at meetings where he speaks was sent to Central Research Unit for information 6/9/61.

Further information has now been received from a person who attended ~~a~~ seminar sponsored by [redacted] on 5/27/61 at Carbondale, Pa. This was an all day session which was led by W. P. Strube of Houston, Texas. Approximately 60 people attended, paying a $2.00 registration fee. Donations were solicited for annual or permanent membership in the Christian Anti-Communist Crusade. The complainant felt that Strube was not sufficiently favorable to the U. S. in his comments, and apparently raised that issue with Strube in one of the discussion sessions. During the course of the day Strube showed three films: an Army film, "The Communist Weapon of Allure"; a film entitled, "A Look at Socialism" and "Operation Abolition". He also discussed Marxist philosophy and Communism and current events.

May I take this opportunity to thank you for the literature you sent, and to assure you of my whole-hearted support in combating this evil ideology, Communism.

I have received a good many pamphlets written by you, from friends, each pamphlet dealing with a different aspect of Communism, and each one has helped me to realize just how evil Communism is, to understand its philosophy better, and to realize the seriousness and closeness of the threat it poses to our beloved nation.

I assure you that I will do all I can, as a Christian and as an American to fight the spread of Communism at every turn. I pray that God will continue to guide you in your administration of the FBI, and in your battle against Communism.

TO : DIRECTOR, FBI

SUBJECT: ANTI-COMMUNIST CHRISTIAN LEAGUE OF YORK CO.
IS - X

For the Bureau's information there are forwarded herewith three clippings from the York Gazette and Daily, York, Pa., all from the issue of 7/5/61 relating to the formation and activities of the Anti-Communist League of York Co.

It is noted that MARTIN L. BEAVERSON is mentioned in the longest of these articles as the Vice President of the group. On 4/18/61 a man who identified himself as MARTIN LUTHER BEAVERSON, 2220 East Market Street, York, Pa., telephoned the resident agent at York. He said that he was an insurance broker, a member of a group of "Christian Businessmen" who are concerned with the spread of Communism in this and other countries. He inquired regarding the possibility of obtaining the motion picture "Operation Abolition" or similar type films through the FBI on a loan or rental basis. He also solicited literature which his group might put out and invited the resident agent to attend a meeting of the group. He was carefully advised of the Bureau's responsibilities in the Internal Security field. The only literature he was referred to was "Masters of Deceit" and his invitation to attend a meeting of his organization was politely declined.

The overall position of the York, Pa. Gazette Daily is well known to the Bureau. This newspaper is on the whole in opposition to many activities of law enforcement agencies, including the FBI, and frequently takes exception to official policies of the U. S. Government, vis-a-vis Soviet Bloc and the CP, USA.

League Aims To Spread Rightist Views In Schools

Anti-Communist League of York County, seeking to 'indoctrinate young and old', uses Red Lion 'Fun day' to show movies, give out literature. Campaign in area high schools planned, leader says.

B. APPROX.

The leader of a newly-formed group which calls itself the Anti-Communist League of York County said yesterday the organization plans to use county high schools to promote its right wing views.

Gene Engles, 29-year-old carpenter from Red Lion, president and founder of the group, was interviewed at Fairmount park, Red Lion, where his organization took advantage of a community "Fun day" to show movies and distribute literature.

The organization's activities were part of a Fourth of July program sponsored by Red Lion Junior Chamber of Commerce.

According to literature distributed yesterday, here are some of the things the league opposes: Civil rights laws, world government, tax-supported housing, tax-supported electrical power, "socialized medicine," government in business, foreign aid, federal aid to education and recognition of Communist China.

And, according to the literature, here are some of the things it favors: Withdrawal of the United States from the United Nations, states' rights, the abolition of the federal income tax, the McCarran-Walter law which limits immigration, the defeated Bricker amendment which would have barred treaties and agreements making the United States subservient to the United Nations, free enterprise, fewer form controls and a pro-American foreign policy.

About 1,000 pieces of literature were distributed yesterday, according to Engles who said he was "pleased" with the turnout.

Seeks 'Contacts'

Engles said his group has not decided how it will promote its views in schools but it probably will be done through "contacts" within the organization.

Asked if this means the group will try to recruit school officials, Engels said this probably will be the case.

He added that the group also will try to pass its views along to adults.

"If we can indoctrinate the young and the old they can help each other," Engels said.

"We won't take just anybody in our organization," Engles commented. "We want workers."

Engles presented continuous showings of the controversial film "Operation Abolition" at the Red Lion Junior High school next to the picnic grounds.

At the same time, the league presented a continuous showing of a series of seven films entitled "The American Adventure" at the Junior Chamber's lodge on the park.

The series extolled the virtues of "private ownership," "the profit motive" and "the open competitive market."

And it downgraded the Communist philosophy and described socialism as "the first step toward Communism."

Rents Series

Engles said he rented the series from its producer, National Education program, Searcy, Ark., which he described as a professional anti-Communist group. It is headed by Dr. George Benson.

The movies were listed on the schedule of events for the day. Engles said last night a total of about 350 persons attended the showings.

The "Operation Abolition" film deals with student demonstrations during San Francisco hearings of the House Committee on Un-American Activities in May, 1960.

A number of organizations including the National Council of Churches have charged that the film has been distorted to make it appear that the demonstrations were Communist-inspired.

Engles said yesterday he started his organization in late February as the result of the controversy over the showing of the film.

He said his group has no membership files nor cards and doesn't hold regularly scheduled meetings at this time.

Engles said he does not know

how many members the group has. He said an attorney has been instructed to petition the county court for a non-profit charter for the organization.

According to Engles, the charter will list himself as president; Martin L. Beaverson, 2220 East Market street, vice president; and Dean Graham, Craley, secretary-treasurer.

The organization has no dues, Engles said, and is financed by contributions "from business and professional men." He declined to say who they are.

A number of ministers belong to the organization, Engles said, but he could recall the name of only one.

Much of the literature distributed yesterday was provided by Billy James Hargis, radio evangelist from Tulsa, Okla., and founder of what he calls "The Christian Crusade."

In one pamphlet, Hargis repeats charges made in a since-discredited Air Force manual which alleged that 30 of the 95 members of the Council of Churches who worked on the revision of the Bible had Communist affiliations.

Attacks High Court

In another pamphlet, Hargis attacks the U. S. Supreme court for recent decisions involving states' rights and the anti-Communist Smith act.

"If Congress and the states do not use their constitutional power to check abuses by the Supreme court, freedom in our nation is in dire peril," states Hargis.

Other literature available for picnickers was printed by the Liberty Lobby, Washington, D. C., the Freedom Builders of America, Valley Center, Calif., and the Cinema Educational Guild, Inc., Hollywood, Cal.

Engles said he purchased the literature with money contributed to the organization. The literature was distributed free but copies of a paperbound book by Hargis entitled "Communist America" cost $1.

The Liberty Lobby emphasizes its opposition to what it describes as the "Liberal/Communist."

Its literature charges that the liberal in politics is the "enemy" who "speaks only for a vicious and treacherous minority whose one aim is to communize our country."

Other literature by the Liberty Lobby lists issues which it favors and opposes. The York county league put its stamp of approval on this list.

The pamphlets by the Freedom Builders asks: "Are the People of America Being Brain-Washed Into Slavery." It offers what it describes as evidence of the use of psycho-political warfare by the Communists in schools across the nation.

And the Cinema Guild urges the reader not to patronize several hundred film, radio and television personalities whom it describes as "known Reds or fellow-travelers."

PH 16

Red Lion Jaycees Not Clear On Aims Of Rightist Backers

James R. Strayer, president of Red Lion Junior Chamber of Commerce, said he knew little of the aims of the Anti-Communist League of York County, an organization the Jaycees permitted to participate in community Fun day festivities yesterday.

The civic club official said Gene Engles, founder of the league, is a former Jaycee. The league was permitted to use the Jaycees' lodge at Fairmount park to show movies and distribute right wing literature. Its activities were scheduled as part of the Fourth of July observance at the park.

Asked if he endorses the aims of the league, Strayer replied, "We're all anti-Communist, I'll say that. I don't know how fantastic they are getting." The reference was to the league-sponsored movies then in progress.

Engles said he rented for $25 the auditorium of Red Lion Junior High school to show the film "Operation Abolition."

The Jaycees sponsored the program in collaboration with the Jaycettes, the Red Lion Lions club, Ladies auxiliary of Leo Fire company; Post 543, Veterans of American Legion, and Post 1446, Veterans of Foreign Wars.

The Anti-Communist League of York County has put its stamp of approval on remarks made into the Congressional Record by Representative John H. Rousselot, of California, who has said he is proud of his membership in the ultra-conservative John Birch society.

The league distributed pamphlets of Republican Rousselot's defense of the film "Operation Abolition" on March 21 in the house.

The founder of the Birch society, Robert H. Welch, Jr., 61, Belmont, Mass., has said ex-President Eisenhower and other high government officials were agents or dupes of the Communist movement.

Federal Bureau Of Investigation

Gentlemen:

A local group of people in the Camarillo area are interested in learning more about the threat of communism to America. I would like any help or recommendations you can give us regarding the study of this subject. Specifically, I would like to know whether a group studying together can effectively learn about the threat of communism. If a study group can be effective, what are sources of literature, films, and tapes? In addition are there any dangers from false information reaching a study group where the leaders will be laymen?

I have contacted the Christian Anti-Communism Crusade, P.O. Box 66422, Houston 6, Texas for their literature on the communist threat. Is the data they have factual? Would a group be able to effectively study from their information?

I wish to thank you for any help that you can give in this matter.

Sincerely,

Your letter of July 3, 1961, has been received, and the interest which prompted you to write is appreciated.

It is always pleasing to hear from citizens who demonstrate an awareness of the problems facing this country and a sincere desire to prepare themselves to meet the communist challenge to our freedoms. I am forwarding some material which may be of assistance to you, containing suggestions as to methods which can be used to combat subversive influences. In addition, you may wish to consider my book, "Masters of Deceit," which was written in the hope that it would become a primer for those interested in learning the true nature and objectives of communism.

With respect to your discussion, I do not feel that it would be appropriate for me to comment on or inject the FBI into matters relating to private undertakings in specific localities such as you have in mind. I am sure you will understand my position and why I cannot furnish the exact help you requested.

Although I would like to be of service in regard to your other inquiries, the FBI is an investigative agency of the Federal Government and, as such, does not make evaluations nor draw conclusions as to the character or integrity of any organization, publication or individual.

Sullivan to Belmont memo of 9-22-60 indicates that when a representative of the Bureau spoke before the Dallas Freedom Forum in September (which sponsored a school on communism at that time directed by Dr. Schwarz) the Agent commented that Schwarz made several "pitches" for articles and book he had written on communism and his publications were displayed. Neither he nor the CACC has been investigated by the Bureau. The Bureau has been recently discouraging requests for publications from persons who are under the influence of Dr. Schwarz since he obviously is capitalizing on our reprint material. (100-402036)

Gentlemen:

I recently had the opportunity to listen to a lecture on anti-communism. At the conclusion of the lecture, the speaker distributed literature printed and distributed by the Christian Anti-Communism Crusade of Houston, Texas.

There is a small doubt in my mind as to the validity of this organization. Please advise me by return mail whether or not the Christian Anti-Communism Crusade is a legitimate anti-communism movement.

Thank you for your cooperation in this matter.

Dear Sir:

I enclose a pamphlet entitled "Red Stars", "compiled 1961" which seems unbelievable to me, and I would thank you to advise me whether this information contained in this pamphlet is authentic and correct, according to your records.

I am also sending this same pamphlet to the HUAC, and asking them to also authenticate this data.

IF the information contained in this pamphlet IS correct, I intend to mail these pamphlets out by the THOUSANDS, asking the recipients to also mail them out after securing copies from the original source.

I have been staging a "one-man" anti-Communist campaign, and anything of this sort which promotes the Communist conspiracy in the U. S. I intend to spread around to key-positions, such as headquarters of every large organization in the U. S., such as American Legion, VFW, DAV, NAM, AMA, BPOE, YMCA, YWCA, key government officials, Senators, Representatives, etc., etc.

I would appreciate a reply by return mail if possible, from you or one of your chief assistants, since I am planning to send out 500 sets of letters this weekend, and I would like to enclose this folder entitled "Red Stars" in this batch.

Here you have the names of more than 200 of the most rabid REDS and Fellow-Travellers. There are MANY more, but lack of space prevents the naming of all. However, those in this list are the most important and flagrant–drive them out and it will smash the entire RED Conspiracy in Hollywood and in TELEVISION.

—o—

NOTE:–A more complete list, with their **officially DOCUMENTED** backgrounds of pro-Communist activities, their RED FRONTS, the techniques they employed through the years to retain their holds on both Hollywood and TV, and other **invaluable** information can be found in "DOCUMENTATIONS of the RED STARS and FELLOW-TRAVELLERS in HOLLYWOOD and TV", by Myron C. Fagan . . . this book will startle you–shock you–ENRAGE you . . . and make you FIGHTING mad! You can get this **sensational** book by sending $2.00 to Cinema Educational Guild, Inc."

"RED STARS" – TRACT

THE REDS ARE BACK IN HOLLYWOOD!!!

—o—

AMERICANS . . . To save America from the Communist Conspiracy —

DON'T PATRONIZE REDS!!!

Keep Them OUT of Your (TV) Living Rooms - Out of Radio - Off the Screen

—o—

This Tract tells how YOU can do it!

—o—

In 1947, in a speech in Hollywood, Myron C. Fagan, famous Playright-Director-Producer, charged that the REDS had acquired absolute control of Hollywood and Broadway – **and transformed our Stage, Screen and Radio into the Communist Conspiracy's most effective Fifth Column in America** . . . that the RED Stars, Directors, Writers and Producers of Hollywood were the chief supporters, financial and otherwise, of Communist propaganda in America . . . that many films made by the Hollywood REDS were being used by Moscow in Asia, Africa and throughout the world to create hatred of America and Americans . . . that other films were made to craftily glorify COMMUNISM and ONE-WORLDISM . . . and still other films that **deliberately** created dissensions and hatreds between Negroes and Whites, between North and South, between Minority Groups and Americans.

That speech startled the nation. **The Hollywood Moguls frantically denied everything.** That brought the House Un-American Activities Committee into action. Their Hearings in Hollywood and Washington fully confirmed all the (Fagan) charges against the

industry and **all** the **named** Stars – **and sent the notorious "Hollywood Ten" to jail.** That ROCKED the nation! The people, **infuriated,** began to "blacklist" the theatres showing those REDS and the Red Films. Panic swept through the entire industry–it chased Charlie Chaplin out of the country–it drove SCORES of other REDS off the Screen . . . and, far more important, **it closed THOUSANDS of theatres!**

THAT did the job! . . . it hit the Moguls in their most vulnerable spot: **their pocketbook!** – and all their "righteous" denials changed to piteous pleas for forgiveness. They piously promised that **"never again would they employ any REDS"** – that **"never again would they produce RED-propaganda films"** and for a time they **seemingly** kept their promises– they even barred all tainted Stars from "Oscar" honors.

But **actually** they were merely waiting for the people to **forget.** And even while "waiting" they were scheming and conniving how to keep those REDS "alive" – and finally bring them back into public favor . . . they continued to employ RED writers, (even the "Hollywood Ten") **under fictitious names** . . . they secretly financed pictures made in Europe by banished American REDS . . . other RED Stars were "taken care of" in Broadway plays . . . then, as it grew in stature and importance, TELEVISION became their greatest sanctuary!

And, tragically, the people **did** begin to "forget". And, gradually, the Marches, the Robinsons, the Milestones and all the other REDS began to creep back into Hollywood . . . and once again our theatre Screens are showing films that sanctify MARXISM–ONE-WORLDISM–RACIAL DISSENSIONS!

In short, TODAY the REDS are back in Hollywood stronger and more brazen than ever – **even the infamous "HOLLYWOOD TEN" are back again!**– and all the honors, **including the "Oscar",** have been restored to them . . . **all because the people have forgotten!**

TV AN EVEN GREATER MENACE

Today, virtually all films for TV are made in Hollywood – **by the Hollywood Reds!** RIGHT NOW all the Hollywood Lots are making **thousands** of TV films full of craftily camouflaged RED propaganda, and, **via your TV Set,** they are being piped into your Living Room–**and are brainwashing and poisoning your children right under your very eyes ! ! . . .**

YOU can stop all that!–by **shunning** the theatres that show the REDS–by refusing to buy the products of the Sponsors who bring the REDS into your Living Room! **You did it once–you can do it again!**

Don't ever again FORGET that every time you patronize a Film made by RED Producers, Writers, STARS and STUDIOS you are aiding and abetting Communism . . . Every time you permit REDS to come into your Living Room VIA YOUR TV SET you will be helping Moscow and the INTERNATIONALISTS to destroy America ! ! !

Among the worst offending Sponsors are FORD MOTORS; Kraft Foods; General Electric; Chrysler; U. S. Steel, etc. . . . among the worst offending TV Producing Studios are Screen Gems, Inc.; MCA-REVUE; Warner Brothers; DESILU; Four Star Films, Inc.; Theatre Guild, etc. All Sponsors who employ such Studios to produce their TV Shows (and **the Ed Sullivan Show in particular**) are, consciously or unconsciously, bringing REDS into your Living Rooms **. . . Watch the Producer's "Credits" on every TV Show you see.**

Here Is How YOU Can Drive Them Out:

Read the following list . . . They are the best known of the REDS and FELLOW-TRAVELERS who made our SCREEN Communism's most effective "Pied Piper". They are now coming into your Living Room night after night VIA YOUR TV SET and Radio . . . WATCH FOR THEM! . . . Keep this list with you ALWAYS! . . . When one of them appears on your SET send a copy of this Tract to the SPONSOR immediately–and WARN him that if he will bring another RED into your Living Room you will never again buy his products–**and then fulfill your warning!** . . . Give this Tract to your Grocer, your Butcher, to ALL Dealers you patronize – **and warn them** – so they can **warn** the Sponsors – also send copies to your local TV and Radio Stations . . . USE THE SAME METHOD WITH YOUR MOVIE THEATRE.

THAT is the only way we will drive the REDS out of Hollywood – Radio – Television . . . **Hit the pocketbooks of the Sponsor ! ! !** REMEMBER: every time you buy the products of a Sponsor who employs REDS you are hurting YOUR COUNTRY ! ! !

COMMUNISM AND THE HOUSE UN-AMERICAN ACTIVITIES COMMITTEE

The Influence of Communism on Government Policy

Fourth Article

By ROBERT B. DRESSER

I have decided to stop "Talking" about Communism, and get out & WORK against it – Tech & Nat. Mgr. & Money. How about YOU! Are you still "Waiting for Washington to do it" . . Or will you become a Patriot? Buy or a Paul Revere! "WHAT" can you do? Buy & Mail out 100 sets of these 2 pamphlets – A total of $3.50; plus $5.00 rubber stamp; total $17.50. Or else, Communism will bury YOU in 2 or 3 more years. Your 100 pamphlets will snowball into MANY THOUSANDS, under this Chain-Mail System. Henry Riecke, Jr. – N. O., La.

The following article was published by Mr. Dresser as an advertisement in the Providence Journal on March 5, and again on March 7. Mr. Dresser is an attorney with an office at 15 Westminster Street, Providence, R. I.

Numerous investigations of Communism and subversive activities have been made by committees of Congress and of the individual states during the past 40 or more years. A summary-index of these investigations during the period from 1918 to 1956 has been printed by order of the United States Senate, dated July 23, 1956. The large number of such investigations is shown by the fact that the summary-index contains 339 pages.

Speech of Congressman Dies, March 1948

In March 1948, Congressman Martin Dies (Democrat), of Texas, a courageous and much respected member of Congress, made a most startling and revealing speech before the Southern Gas Association, at Galveston, Texas, on Communist activities in the United States. Congressman Dies was the first Chairman of the House Committee on Un-American Activities, originally known as the "Dies Committee."

I quote from his speech as follows:

"Democracy and Christian civilization are more gravely menaced throughout the world today than ever before in history. At long last, many of our people realize that fact. Unfortunately, however, they realize it imperfectly and incompletely, and there are still millions of people in the United States who have no conception of the methods, tactics, and purposes of communism. All of us, however, must have some understanding of what has happened in the world about us.

* * *

"Only a few years ago, Russia was looked upon as a third-rate power. Today, all of us must concede that Russia is the most powerful country on earth. Now, how did that happen? I propose to answer that question.

* * *

"It all began in 1938. I was a member of the Immigration Committee and also a member of the Committee on Rules of the House of Representatives. I became intensely interested in communist infiltration of labor unions, and in government service. I decided the time was appropriate to investigate and expose communists' activities in the United States. So I introduced a resolution and the Committee on Rules approved it and the House of Representatives, on May 26, 1938, established the Committee.

"Immediately after the Committee was established, I encountered strenuous opposition. When I went to the Committee on Accounts to secure an appropriation to finance the work of the Committee, I found that the Democratic members were hostile to every suggestion that I made. They finally, upon instructions from the White House, reduced the requested budget from 100 thousand dollars to 25 thousand dollars. I began the work with the paltry sum of 25 thousand dollars.

" * * * I telephoned the Attorney General of the United States and said, 'Mr. Attorney General, I want to secure the services of some competent and reliable investigators to assist me in this work.' He sent me two men. I received a telephone call, however, an anonymous call, shortly before their arrival, telling me both men were members of the Communist Party. I never knew who gave me that valuable information, but I acted upon it.

"When they arrived, I began to question them. I put them through the third degree, in the presence of the entire Committee, and finally they broke down and admitted that they were members of the Communist Party who worked for the Department of Justice.

* * *

"I announced through the press that I intended next morning to open hearings and give the American people the truth.

"I received a telephone call from President Roosevelt who asked me to come to the White House at ten o'clock

Copyright 1961, National Economic Council, Inc.

the next morning. I went to the White House. Senator Sheppard was there. Evidently the President thought Senator Sheppard might influence me. The President * * * said to me, 'You know, Martin, I have been watching you for a long time. You have a promising future. You are an able speaker and a young man and I want vigorous, able, young men in the New Deal, and you can go a long way working with me.' He continued, 'You have got to be loyal to me. I can't work with men that I can't depend upon. You can't go through with this investigation.' And I said, 'Why can't I go through with it, Mr. President?' Of course, I was somewhat weakened, to tell the truth. It sounded awfully good to me, what he was telling me, and being human, I am not going to represent myself as any hero because I wasn't. I was just plain scared.

* * *

"Well, one thing led to another, and finally the President became somewhat impatient and angry with me, and he turned to Senator Sheppard and said, 'Senator, what are we going to do with Martin?' Senator Sheppard was a very genial, pleasant man and a good friend of mine. He said, 'I don't know. I knew his dad, and when one of these Dies makes up his mind to do something, he usually does it. I am afraid you are going to have trouble in persuading him not to do it.'

"Well, the interview lasted about 45 or 50 minutes, and finally, I looked at the watch and said, 'Mr. President, I have to go because the Committee meets and I have to be there to open.'

* * *

"I recall for instance, that a man by the name of General Sevinsky, a very able young man who had served with Stalin for a long time, and had become disgusted with the brutality of the communist practice and had fled to the United States. I discovered his whereabouts and went to see him. He told me an amazing story of what Stalin had told him a long time ago, about the plan to infiltrate the Balkan states, to build secret armies in every country, to spend millions of dollars for propaganda purposes. He told me the ultimate goal of Stalin was the conquest of Europe and then the conquest of the Americas.

"I said to him, 'Why don't you come to Washington and testify? The American people ought to have that information.' He said, 'Mr. Congressman, if I were to come to Washington and testify and if they discovered my identity, the OGPU which is now the NKVD, the secret army of the Politico Bureau, would assassinate me in two days.'

"I said, 'Surely they are not that powerful in the United States.' I was very skeptical about it. He said, 'Mr. Congressman, I was chief of the Western Division of the Soviet Intelligence and I know that there isn't a country, there isn't an industry, there isn't a town of industrial importance that members of the OGPU are not there listening, getting and using information and transmitting it to the Soviet Union. They have their agents in the Embassies—even the ambassadors do not know the members of the OGPU.'

"At any rate, I talked to him at some length and finally, upon the promise that I would protect him and conceal his identity, he agreed to testify.

"I called up the Secret Service and I said, 'I am undertaking a rather perilous thing. This man is fearful of his life.' I undertook to get a commitment from the government that they would help me protect him, but the government didn't want him to testify. He did testify. His name was not given then to the press. Within two weeks after his startling revelations, which predicted almost one hundred per cent accurately the progress the Kremlin has made within the last two years, within two weeks after his testimony, he was found shot in his hotel room in Washington, D. C., and not one arm was raised by the Federal Government to discover and apprehend the man or men responsible for his death.

"Another former agent of the Soviet Union, in New York, was persuaded to testify. Shortly after his testimony, he was found dead. They said it was a heart attack. I demanded another examination and discovered that he had been shot with a fine steel bullet through the eye which had entered his brain and brought about his death.

"Still another man who testified before our Committee in Chicago was mysteriously run down by a hit-and-run driver.

"I say these things because my purpose is to show you upon this occasion what happened in the United States and which resulted in the sacrifice of the fruits of victory won by our boys on the battlefields. I am at a loss to understand why men in public affairs are not now clamoring for publication of the secret agreements made with Joseph Stalin by our government. I have been amazed that people have received with such indifference and unconcern the startling revelation that all of the men who fought and died, died in vain because they were betrayed. And I shall show you here and now how they were betrayed.

* * *

"Yes, we continued, continued giving the American people the truth. Finally, we discovered that some 25 hundred communists, agents and stooges and servants and minions of a foreign dictator, were on the government pay roll, occupying in many instances key positions in the State Department, in the Justice Department, and in the Interior Department. So, I wrote to President Roosevelt and told him I wanted to see him about it, and he said, 'All right.'

"I went down to the White House. I said, 'Mr. President, we have got to do something about this. Here is a list of these people. We have raided the organization and we have their membership records. There can't be any doubt about it. If you understand the communists as I understand them, you will know they are in the government for one purpose and one purpose alone, and that is to steal the important government secrets to transmit them to Moscow.'

"The President was furious. I was amazed at his anger. He said to me—he got to calling me Mr. Congressman—he had called me Martin before—he said, 'Mr. Congressman, you must see a bugaboo under every

bed.' I said, 'No, I never look under the bed, Mr. President.' 'Well,' he said, 'I have never seen a man that had such ideas about this thing. There is nothing wrong with the communists, some of the best friends I have got are communists.' Mind you, that is a truthful account. He made that statement.

"I made that statement before the House soon after President Roosevelt made it and he did not deny it. Everything I tell you, I told to the Congress, and no one to this day has ever denied any statement I ever made.

* * *

"Well, the President refused to discharge the communists and finally I went before the House and induced Congress to withhold appropriations to pay their salaries. The Executive Department then defied Congress and refused still to fire them. They were kept on the government pay. Yes, they were on the government pay roll when we were working on the secret of the atomic bomb. And still there are people in America so dumb as to believe Stalin doesn't have the secret of the atomic bomb. How could he have kept from getting it with men in every Department of the government, influential men who wouldn't hesitate a moment to give that information to Stalin. They got it in Canada, didn't they, and Canada wasn't one-twentieth as well organized by communists as the United States. We were taken in, lock, stock and barrel, by communist propaganda.

* * *

"I had a member of the Secret Service who worked in the White House give me reports every week on what happened in the White House. I knew that leading communist agents had access to the White House, were going there and were using their influence to affect our domestic and foreign policy. Now, I know this is difficult for you to believe, but every bit of it is the truth. I am telling you these incidents so that you may have some faint idea of how thoroughly Stalin was able to dupe the United States of America.

* * *

"So, my fellow citizens, here was Moscow in full swing in the United States. They were influencing our domestic policy by preaching public ownership. They formed innumerable organizations which were lobbying actively in Washington for this purpose. Of course, they didn't say this was communism. They didn't say these organizations were controlled by communists. These organizations were making inroads on the economic system of America, acquiring land, acquiring business, narrowing the field of competition, building up the monopoly of public power, which is as dangerous as monopoly in business, if not more dangerous. And Stalin was working on the foreign policy."

Report of Jenner Committee, July 30, 1953

Probably the most comprehensive of the Congressional investigations was one undertaken by the Internal Security Subcommittee of the Judiciary Committee of the United States Senate. The report of this Committee was dated July 30, 1953. It is a most important and revealing document. The Committee was composed of eight Senators—five Republicans and three Democrats—and the Chairman was Senator William E. Jenner (Republican), of Indiana. The report was unanimous.

The conclusions of the Committee were stated in the report as follows:

"1. The Soviet international organization has carried on a successful and important penetration of the United States Government and this penetration has not been fully exposed.

"2. This penetration has extended from the lower ranks to top-level policy and operating positions in our Government.

"3. The agents of this penetration have operated in accordance with a distinct design fashioned by their Soviet superiors.

"4. Members of this conspiracy helped to get each other into Government, helped each other to rise in Government and protected each other from exposure.

"5. The general pattern of this penetration was first into agencies concerned with economic recovery, then to war-making agencies, then to agencies concerned with foreign policy and postwar planning, but always moving to the focal point of national concern.

"6. In general, the Communists who infiltrated our Government worked behind the scenes—guiding research and preparing memoranda on which basic American policies were set, writing speeches for Cabinet officers, influencing congressional investigations, drafting laws, manipulating administrative reorganizations—always serving the interest of their Soviet superiors.

"7. Thousands of diplomatic, political, military, scientific, and economic secrets of the United States have been stolen by Soviet agents in our Government and other persons closely connected with the Communists.

"8. Despite the fact that the Federal Bureau of Investigation and other security agencies had reported extensive information about this Communist penetration, little was done by the executive branch to interrupt the Soviet operatives in their ascent in government until congressional committees brought forth to public light the facts of the conspiracy.

"9. Powerful groups and individuals within the executive branch were at work obstructing and weakening the effort to eliminate Soviet agents from positions in Government.

"10. Members of this conspiracy repeatedly swore to oaths denying Communist Party membership when seeking appointments, transfers, and promotions and these falsifications have, in virtually every case, gone unpunished.

"11. The control that the American Communications Association, a Communist-directed union, maintains over communication lines vital to the national defense poses a threat to the security of this country.

"12. Policies and programs laid down by members

of this Soviet conspiracy are still in effect within our Government and constitute a continuing hazard to our national security." (Emphasis supplied)

Other investigations by Congressional Committees have resulted in similar conclusions.

Statement of J. Edgar Hoover, March 26, 1947

In further support of the House Committee on Un-American Activities, let me quote from a statement by J. Edgar Hoover, Director of the F.B.I., before that committee on March 26, 1947:

> "The aims and responsibilities of the House Committee on Un-American Activities and the Federal Bureau of Investigation are the same—the protection of the internal security of this Nation. The methods whereby this goal may be accomplished differ, however.
>
> "I have always felt that the greatest contribution this committee could make is the public disclosure of the forces that menace America — Communist and Fascist. That is why the venom of the American Communist and the now defunct German-American Bund has been directed at this committee as it has also been directed at the Federal Bureau of Investigation. This committee renders a distinct service when it publicly reveals the diabolic machinations of sinister figures engaged in un-American activities."

Conclusion

1. Does it appear strange to anyone

(a) that our government should permit an organized enemy to plot our destruction in our very midst;

(b) that we should continue to recognize the government of the country that is directing such action; and

(c) that we should continue our membership in an organization, the United Nations, which admits Russia and her satellite nations to membership, thereby providing a most effective means of infiltrating our country with agents engaged in spying and subversive activities?

There was a period from 1917 to 1933 when we refused to recognize the Russian government. In November, 1933, President Franklin D. Roosevelt, acting alone, without any supporting action on the part of Congress or the Senate, entered into an executive agreement with Maxim M. Litvinov, representing Russia, whereby American recognition was extended to Russia, thereby enabling Russia to bring into this country thousands of agents for the purpose of undermining our government and our system of society.

2. Can there be any doubt about the importance of discovering and exposing to public view the scoundrels who are plotting our destruction?

3. If so, why in Heaven's name does anyone wish to abolish the most effective agency we have for this purpose?

Dear [redacted]

Your letter of July [redacted], 1961, with enclosures, has been received. The interest which prompted you to write is appreciated, and I can understand your concern about the problem of communism.

Although I would like to be of service, the files of the FBI are confidential in accordance with regulations of the Department of Justice and are available for official use only. I hope you will not infer in this connection either that we do or do not have data in our files relating to the subject of your inquiry. Material disseminated by this group has been brought to our attention on a number of occasions. Some of it indicates that data found therein is documented in the files of Government investigating agencies, but I can assure you that neither the Cinema Educational Guild, Inc., nor its national director, Myron C. Fagan, has ever had access to the files of this Bureau.

Enclosed is some literature dealing with the general subject of communism which may be of interest.

Sincerely yours,

NOTE: Bufiles contain no information concerning correspondent. He enclosed a pamphlet concerning "Reds" in Hollywood and T. V. which has come to the Bureau's attention in the past. The Cinema Educational Guild, Inc., is allegedly an anticommunist group which has been responsible for the distribution of anticommunist, anti-Negro and anti-Semitic pamphlets. Myron C. [redacted], its national director, has, in the past, attempted to use the Director's name in furtherance of his programs, and it has been necessary on several occasions to contact him and request that he refrain from mentioning the FBI in any manner.

Correspondent also enclosed a folder containing the testimony of Dr. Frederick C. Schwarz before the House Committee on Un-American Activities, on 5-29-57. Schwarz heads the Christian Anti-Communism Crusade. Our relations with him have been circumspect in view of the possibility that he may have attempted to capitalize on the Bureau's reputation in connection with his various programs in which he had appeared. Correspondent enclosed a pamphlet, "Communism and the House Committee on Un-American Activities," which was a summary of results of investigations of communism conducted by Congressional committees. It was published by the National Economic Council, Inc., and contained a quotation by the Director before the House Committee on Un-American Activities in which he attested to the value of the work performed by the Committee. Bufiles contain nonderogatory information regarding the National Economic Council, Inc. We have not investigated this organization. It has strong anticommunist views; however, some communists have labeled it fascist due to its favoring pro-Franco forces in Spain prior to World War II.

In view of expedite nature of correspondent's letter, outgoing is being sent Airmail.

Dear Mr. Hoover,

I have just completed reading the testimony given by Dr. Frederick Charles Schwarz, Executive Director, Christian Anti-Communist Crusade, as given to the United States House of Representatives Committee on Un-American Activities, on Wednesday, May 29, 1957. This testimony was made available by the Allen-Bradley Co., Milwaukee, Wisc., from the United States Government Printing office document No. 92964. The Allen-Bradley Co is making this testimony available for distribution to schools and churches, at no cost. I have ordered 25 copies to distribute among my fellow workers, church, and school. However, I would first like to obtain any pertinent information concerning Dr Schwarz relative to his character, integrity, etc., and any information relative to the Christian Anti-Communist Crusade. If no information is available concerning these two subjects, your personal opinion will be quite helpful.

In closing, let me say that you are your organization have done, and are doing, very dynamic services for our Country, and words would fail to express my deepest appreciation.

Very truly yours

SUBJECT [redacted]
24800 FARMBROOK
SOUTHFIELD, MICHIGAN

By letter 7-17-61, captioned individual wrote the Director enclosing literature pertaining to the Cardinal Mindszenty Foundation Study on Communism. He also included a copy of his parish weekly bulletin which contained the Director's introduction to the April, 1961, Law Enforcement Bulletin.

[redacted] takes exception to the Director's views in this article in relation to the work being done by the Mindszenty group. [redacted] criticized the Director's article by stating it "will lend further confusion" to the problem and suggests that Mr. Hoover's statements "subtley intimate" that the Mindszenty group is engaged in reckless charges against one another. Correspondent requests the Director to evaluate the programs of the Mindszenty Foundation and the Christian Anti-Communism Crusade "so as to give the citizens the benefit of your opinions."

b6
b7C

Although Bufiles reflect nothing subversive concerning the Cardinal Mindszenty Foundation, it has become affiliated in recent months with the Christian Anti-Communism Crusade, headed by Dr. Fred C. Schwarz, a self-serving individual who has capitalized on our reprint material.

Bufiles contain no derogatory information concerning [redacted] He wrote the Director on 12-6-60 concerning "Operation Abolition" and his letter was acknowledged on 12-13-60 at which time he was furnished a copy of "Communist Target--Youth."

It would appear from the tone of his letter that [redacted] is inclined to be a "right-winger" and he is obviously seeking to engage in a literary argument with the Director. It is felt he may cause embarrassment to the Bureau by misusing any reply and, accordingly, it is felt his letter should not be acknowledged.

RECOMMENDATION

That correspondent's letter not be acknowledged.

Dear Mr. Hoover,

I am enclosing our parish weekly bulletin which carried an article whose views are ascribed to you.

As several layren and laywomen in our parish have completed the Cardinal Mindszenty Foundation Study on Communism, and are active in this area, it would seem to me an article of this sort will lend further confusion and would subtley intimate that we are the ones "who" engage in reckless charges against one another, and that we initiate "in responsible counteraction".

Sir, I feel sure you are aware of the content and objectives of The Cardinal Mindszenty Foundation and The Christian Anti-Communism Crusade and the success they have had in awaking the citizens of this country to the communist conspiracy in our midst. An instance of significance is the fact your book "Masters of Deceit" is difficult to obtain in our metropolitan area even though our people are encouraged to ask for it in every drug and book-store. Coincidence? I think not!

The paragraph in the enclosed article which begins, "The way to fight it is to study it, understand it, and discover what can be done about it", recommends nor specifies any positive program.

Can you evaluate as satisfactory or unsatisfactory the programs of the Cardinal Mindszenty Foundation and the Christian Anti-communism Crusade, so as to give the citizens the benefit of your opinions.

I realize that in your official capacity you are unable to pontificate publicly, but I sincerely hope you can find some way to be of service in this matter.

Sincerely yours,

Dear Mr. Hoover:

Your letter of July 11 was received with some disappointment; however, I can understand your problem as far as the dissimination to individuals of the quantity of literature that I had requested. I personally, would be willing to pay whatever would be necessary to be able to receive the copies as mentioned in my letter of July 1, or I would appreciate your sending me as many copies of each as you think possible. In addition to the activities that were mentioned in my previous letter, I am President of the local American Petroleum Institute chapter and have just formed an Americanism and Political Action Committee for this chapter. I am Vice-Chairman of the Americanism Committee for Seminars for the W. B. Williamson Post of the American Legion, as well as a member of the Christian Anti-Communist Crusade. I have played tapes and talked before both the several church committees and have gotten these churches to sponsor or present seminars and lectures on the dangers of communism.

No doubt with the resurgence of Americanism and new awareness of communism you cannot fulfill the individual requests for material. In my first letter I hadn't expected that it would be necessary to state my affiliations. I hope that the official status I have with the above organizations will allow you to at least partially fill my request. At the present time I am using pamphlets borrowed from other individuals, some for over a month. The ones I need most pertain to Christianity for use with other churches.

In your letter of July 11 you did not mention if you had or had not any other references or information that might be of value in this program that we are planning for the Explorer Scouts. As Organization and Extension chairman of the local district, I hope to get as good a program as possible to reach these boys.

REC- 15

Again, I sincerely hope that it will be possible for your budgetary limitations to allow you to send me some copies of this material so that I may use them in the various organizations that I am associated with, even though apparently my first request was for quantities beyond the limitations of your bureau.

Thanking you in advance for your kind considerations, I am

SUBJECT: MR. C. G. KEVIL
PRESIDENT, SOUTHWEST LOUISIANA CHAPTER

A letter dated July 1, 1961, was received from captioned individual requesting 10 copies of five reprints and 40 copies each of three other reprints. At that time Kevil indicated he made about two talks a week before civic, fraternal and church groups, and used his tapes of "Christian Anti-Communism Crusade talks" at least as often. Since Kevil was utilizing material of the Christian Anti-Communism Crusade (Dr. Fred Schwarz' group) no material was sent to him, and he was advised of our inability to do so due to budgetary limitations of this Bureau.

A letter has currently been received from Kevil in which he identifies himself as president of the local chapter of American Petroleum Institute and stated that he had formed an Americanism and Political Action Committee for that chapter. He also stated he is vice-chairman of the Americanism Committee for Seminars of the American Legion Post. He also identifies himself as a member of the Christian Anti-Communist Crusade.

Since Kevil is a man of some substance, and is so actively engaged in teaching the threat of communism, it is believed advisable to send him authentic information rather that have him only utilize material he can obtain from such people as Fred Schwarz. His request is not excessive and amounts to approximately 160 copies.

RECOMMENDATION:

July 27, 1961

Director

Dear Sir:

The members of the Woman's Study Club of McCamey feel a need for a definite study of the facts and dangers of communism and of what action can be taken by us to combat communism. We should like to devote several meetings during the coming year to this purpose.

We realize that our young people, indeed our own children, want more than a vague "we are against communism because it is evil". Our children are trained to inquire and to expect more than generalizations. Unfortunately, not many of us know even the basic teachings of the communists in order to point out the errors to our children. We feel that we must enlighten ourselves before we can guide them.

I have finished reading Mr. J. Edgar Hoover's book Masters of Deceit. Also, I have read You Can Trust the Communists by Dr. Schwarz, who is executive director of the Christian Anti-Communist Crusade of Longbeach, California. We would like to have some thought as to whether it would be wise to use this organization as a source of material and aid. Beyond reading his book, I know nothing of him.

Fellow club members want to use caution and good judgement in selecting the material which we use. We certainly do not want to become a mere hate group. I hope your office can recommend some other source materials for our study. Also, we hope that the F. B. I. might have some reports and statistics on communism in our country that could be used.

We certainly will appreciate any help that you can give us. We want this year to be a challenging and rewarding club year and we hope that this study will prove to be both.

Sincerely,

NOTE: Bufiles contain no information identifiable with [redacted] No recent ticklers were located. She thanked the Director for material regarding communism which was sent to her. This material possibly furnished her by envelope since no record of outgoing was located. Correspondent inquires concerning the Christian Anti-Communism Crusade, and the John Birch Society.

Bureau material has been made available to Dr. Frederick C. Schwarz and others affiliated with the Christian Anti-Communism Crusade. Sullivan to Belmont memo of 9-22-60 indicates that when a representative of the Bureau spoke before the Dallas Freedom Forum in September (which sponsored a school on communism at that time directed by Dr. Schwarz), the Agent commented that Schwarz made several "pitches" for articles in a book he had written on communism and his publications were displayed. Neither he nor his organization has been investigated by the Bureau. At the present time, we are discouraging the distribution of material to this organization and those affiliated with it.

Dear Sir:

Thank you very much for the material you sent me concerning Communist activities in the United States. I have only recently become actively interested in this situation - and on inquiry and what I read in the newspapers, would surely like to get clear in my mind what the status is, of the "Christian Anti-Communism Crusade," and the "John Birch Society" - Some of my friends have said they believe the John Birch Society is a "Communist Front" organization, and I have read conflicting reports on the Christian Anti Communism Crusade (Long Beach, Calif). I am much troubled over this matter.

Dear Mr. Hoover:

Your prompt and courteous response to my letter of July 19, 1961 was greatly appreciated. Thank you for the articles, " Communist Illusion and Democratic Reality" and "Red Goals and Christian Ideals". Would it be possible to receive twenty-five copies of each to distribute to friends?

My main purpose in writing again is to inquire if there is any agency which is qualified to evaluate anti-communist groups in this country. I am enclosing a brochure from the Christian Anti-Communism Crusade, which is self-explanatory. After reading their literature, I can find nothing objectionable about this organization. I am led to believe that by belonging to such a group, I can further my own study of communism, thereby strengthening my defense of the American principles on which our entire way of life is based.

It would seem that this type of activity would come under your first suggestion, "Keep informed, etc", yet you cannot give any specific organization your approval. I understand your position, but I would still like to find out, if possible, whether the Christian Anti-Communist Crusade is worthwhile.

My Dear Senator:

The enclosed photostatic copies of telegrams sent yesterday are self-explanatory.

The request for the Color Guard to present the colors at the Youth Dedication Rally on Wednesday night at the Sports Arena was made at the suggestion of the Americanism Committee of the American Legion of Los Angeles County. The Marine Colonel who was contacted was very cordial and assured us that the matter would be taken care of and the color guard would be on hand. A formal request was sent in by letter at his suggestion.

Yesterday, Lee Childs, Chairman of the Youth Night Committee, was informed, very regretfully, that regulatinns required the request to go through San Diego, and formal requests were then sent to Washington, D. C. An order had come from the Office of Naval Information to the effect that no color guard could be provided for such an occasion. No doubt you will be interested in this development, for this would indicate that all such rallies are "controversial", and all attending are "suspect" in the eyes of the Top Brass.

There are enclosed a copy of the pamphlet "WHAT IS THE CHRISTIAN ANTI-COMMUNISM CRUSADE?" and a reprint of the testimony of Dr. FREDERICK CHARLES SCHWARZ before the House Committee on Un-American Activities in Washington, D.C. on May 29, 1957.

The July 21, 1961 edition of the Shreveport Times announced the opening of the Ark-La-Tex Anti-Communism School to be held in Shreveport, Louisiana at the Youth Center and Municipal Auditorium October 3-7, 1961. Office opened at 319 Travis Street, Shreveport, which is the lobby of the Washington Youree Hotel. Listed in the announcement as conducting this school were the following:

Dr. FRED SCHWARZ, Sidney, Australia.
Dr. TIRZO DEL JUNTO, Havana, Cuba, former schoolmate of FIDEL CASTRO.
Mr. W. P. STRUBE, Houston, Texas, President, Mid-American Life Insurance Company.

Captain E. RICHARD BARNES, United States Navy, San Diego, California.
Dr. JOHN DRAKEFORD, Ft. Worth, Texas, professor, Southwest Baptist Seminary.
HERBERT PHILBRICK of Rye Beach, New Hampshire, described as a former counter-spy, FBI, and author of "I Led Three Lives."

The Bossier Tribune edition of August 6, 1961 reported that the school would consist of thirty lectures on the international menace of Communism to be given by some of the world's foremost authorities on the subject. It would be C

On August 8, 1961 [redacted] reporter, Shreveport Journal, furnished a list of the fifty-nine published sponsors of the school. The sponsors consist of prominent businessmen in theShreveport, Louisiana area and the chairman is Mr. ADDISON O. WOOD.

The Shreveport City Directory shows that ADDISON O. WOOD is Vice-President of the Crockett Realty Corporation, Room 716, 614 Crockett Street, Shreveport, and is also Vice-President of Symphony House, a money-making enterprise for the Shreveport Symphony Society.

Included among the fifty-nine listed sponsors are D. F. ATTAWAY, publisher of the Shreveport Journal; ALVIN CHILDS, former owner of Childs Big Chain Grocery chain stores; HOWARD CRUMLEY, owner, Crumley Chevrolet Agency; A. C. GLASSELL, owner, Captain Shreve Hotel, and N. C. MC GOWAN, President, United Gas Corporation.

On August 10, 1961 a visual examination of the display in the lobby of the Washington Youree Hotel by SA [redacted] showed that the letterhead paper of the organization listed its address as Room 716, 614 Crockett Street, Shreveport, Louisiana. It is noted that this is the business address of the Chairman ADDISON O. WOOD. The material also showed that the fee for the attendance at the school is $20.00. Day sessions only are $12.00. Night sessions $8.00, and $2.00 for each individual session. Students, teachers and clergymen attend at one-half price.

On August 10, 1961 [redacted] obtained from the headquarters of the school the enclosed literature. He secured this from [redacted] and [redacted] the

two men who were operating as office managers at the time [redacted] was there. In addition, [redacted] said that the Caddo Parish School Board reported that October 3, 1961 has been designated as youth rally day and junior and senior high school students will be given a half-day holiday to attend the lectures at the anti-Communism school at the Hirsch Youth Stadium. In addition, [redacted] said that it was reported to him that the idea from the school came to the attention of local citizens when a similar school was held in Tyler, Texas, a nearby city.

b6
b7C

On August 14, 1961 a pretext telephone call by SA [redacted] to the woman answering at the anti-Communist school headquarters was made. No identification of the caller was used. In this telephone conversation the woman stated that there was no one particular organization sponsoring the school in the Shreveport, Louisiana area, but that it was sponsored by a group of Shreveport businessmen who were concerned for the future safety of American citizens.

The August 13, 1961 edition of the Shreveport Times contained portions of a statement issued by Chairman ADDISON O. WOOD regarding the existence of the school, in which he requested citizens of the area to support the school and the fight against Communism. In his statement WOOD was quoted as saying "With the formation of this organization we dedicate ourselves, our energy and our time to what may well be the decisive struggle between the teachings of Jesus Christ and Godless Communism. We have chosen the side of Christ."

"As J. Edgar Hoover has said: 'We are at war. We have been invaded. We are losing.'

"Because we believe this statement is true and because we believe that we were created for more noble purpose than to end our days on our knees before Communist firing squad, we are joining together to add our strength to the cause of Christianity."

The above is sent the Bureau for information. No further action this Division.

Dear [redacted]

I have received your letter of August 28 and want to take this opportunity to thank you for your generous expressions of confidence in my administration of the FBI. The success this Bureau has attained is due in no small measure to the dedicated efforts of my associates who have given so freely of their time and talents. It is my hope that our future activities will merit your continued support and approval.

I was pleased to learn that you found my book, "Masters of Deceit," useful in explaining the menace of communism. It is always good to hear from citizens who demonstrate an awareness of the problems facing this Nation and a sincere desire to prepare themselves to meet the communist challenge to our freedoms.

In response to your request, I would like to point out that the FBI is strictly an investigative agency of the Federal Government and neither makes evaluations nor draws conclusions as to the character or integrity of any organization, publication or individual. I am sure you understand my being unable to comment concerning the organization you mentioned.

In view of your interest I am enclosing some material dealing with the general subject of communism you may like to read.

Sincerely yours,

Dear Sir:

My family and I are reading your book, "Masters of Deceit." We find it very revealing about Communisum.

Recently we attended an all day Seminar on anti-Communisum conducted by Mr. W. P. Strube Jr, President of Mid American Life Insurance Company Houston Texas, and sponsored by the Christian Anti-Communisum Crusade P OBox 66422 Houston Texas Organization. In connection with this Seminar we purchased several pieces of literature including a book by Dr. Fred Schwarz called "You Can Trust The Communists" (to do exactly as they say) We also find this book very revealing on the subject.

We are considering joining the Christian Anti-Communism Crusade, but first, we would like to know Sir, if this organization is now or ever has been connected in any way Communist, or front or subversive organization? We are Southern Baptists and very much interested in the Communist threat to our Country, to us and our children. We wish to learn all we can and do all we can to help defeat this alarming Communist doctrine if it is at all possible.

Mr. Hoover, we admire you and your increasing efforts, immensely! We thank your fine organization, The F.B.I., for its untiring efforts to combat the terrible Communist Disease.

Thank you Sir, for your kind Consideration. May we have a reply from you?

Sincerely Yours,

The Honorable John F. Kennedy
The White House
Washington, D. C.

Dear President Kennedy:

b6
b7C

It is with deep concern over our country that I write you this letter. This week, Los Angeles has been privileged to have the Anti-Communist School in session at the Sports Arena. We have heard the truth from the horses' mouths, so to speak. It is appalling to think you and your administration either have not, or have ignored it when such well-informed men as FBI Director Hoover, Senator Dodd, Congressman Judd and many others have been begging you to listen. Because if you do listen, I am sure you can't help but realize the gravity of the world situation and necessity of cutting off diplomatic relations with Russia and any other communist nations. You are not starting a war by doing that, but standing up to them. After all, there's been an untold amount of money wasted at the Geneva talks and today they've been discontinued and we've lost face again.

Another very upsetting thing is the difficulty involved in getting a military colorguard for patriotic functions. You'll put one up when the Russians come to town but when patriotic groups gather to try to alert Americans of their duty, they (the government) always put up a big hassle ---which cannot help but lead to fact that there are subversives surrounding you.

Pointed out to America during this fine school of anti-communism was the effort that is being made to prevent our troops from reading the manual of conduct. Many in high places are saying it has nothing to do with the military conduct as such. However, mentally and spiritually, our men must be strong. Along with knowledge, they must have dedication, just as General Walker was trying to teach, before the ~~pseudo-liberals shut him up.~~

You didn't win by a margin large enough to inflict left-wing ideas and practices on the American people. Remember, theye are many who are doubtful of you. You must show strength and confidence in America not only by words but by deeds, too, to convince us all that you are taking the right path. Rewriting the UN Charter. Outlawing and prosecuting the communist party. Encouraging people to help themselves. Sound economics and forget about the principles of Keynesism. Tough words. Cutting off trade with communist countries both direct and indirect. These are jjust a few things that could use your attention and some of the money that's being thrown away on the "peace corps" - a communist-sounding name if I've ever heard one and undoubtedly infiltrated by same.

Please, Mr. President, assert a strong hand and give America the confidence they need.

Respectfully,

Dear Sir: Christian Anti-Communism Crusade

America is being plagued by forces within and without that could destroy her. The growth of socialism, crime and Communism are real threats to America.

We are missionaries in Mexico and there see the dangers of Communism. I have given out literature to Americans and Mexicans warning them of Communism. Could you provide me a list of Patriotic American organizations that may help me with more literature for this project? We must join hands together to combat this evil.

Is it true that tons of Communistic literature enter 30 U. S. A. ports duty free, and with no postal charges? If this is true, every patriot needs to be alerted.

May the Lord help you & your colleagues to expose crime and Communism, and save us as a nation.

very sincerely yours,

everything, even our life, in order that social justice shall triumph. But you people are afraid to soil your hands."

Are you practicing your Christianity? Are you living daily for Christ? Do you let the cares of this life—making a living, keeping house, going to school, even church activity—keep you from full abandonment to your Lord and Saviour, Jesus Christ? Oswald Chambers, in his daily devotional book tells us that Christ says in effect to His disciples, "Don't rejoice in successful service, but rejoice because you are rightly related to Me." Do you guard your fellowship with the Lord, your daily life of prayer and Bible reading? What are you living for? Whom are you living for?

If you do really love Him, are you sharing the good news? I didn't ask you if you were a preacher, but are you letting your fellow workmen, your neighbors, your schoolmates, know that Jesus Christ means everything to you, and that you want to introduce your Saviour to them also?

How about your pocketbook? Does God have it as well as your life and witness for Him? A known Communist in San Francisco said that besides giving one-third of his day to Communism, he also gave half of his income. Do you really give to the cause of Christ and the spread of His gospel as if your life depended on it? You had better, for it does! Most Christians do not even give the minimum tithe or tenth. We are content to be Christians of convenience. We give out of what is left over (if anything) after buying new homes, new cars, washers, dryers, sports equipment and so on.

I cannot conclude without this word to someone who may be reading this and who is yet a stranger to the family of God and dead in trespasses and sins. If the Communists do achieve world domination, I should a thousand times rather fall into their torturing and cruel hands than to leave this life unprepared to meet God. "The body they may kill," wrote the hymnwriter. But Christ said, *"Rather fear him which is able to destroy both soul and body in hell"* (Matthew 10:28). You may have to face a firing squad after a few more years here on earth, but you don't have to face an eternity in hell after this life is over. When the books are opened in eternity, it won't be a question of what you lived and died for politically, but what you did with Jesus who is called Christ. *"He that believeth on him is not condemned: but he that believeth not is condemned already, because he hath not believed in the name of the only begotten Son of God"* (John 3:18).

Why not ask Jesus Christ, God's only begotten Son, to come into your heart right now, take away your sin and give you life that never ends. Then live all-out for Him. God is still on the throne. He will finally put all His enemies under His feet, but you and I can and must have a real part in this victory. *"Awake thou that sleepest, and arise from the dead, and Christ shall give thee light"* (Ephesians 5:14).

IT CAN HAPPEN HERE

IT CAN HAPPEN HERE

"WE ARE THE YOUNG AND AGGRESSIVE," Nikita Krushchev said, when Americans ventured into Lebanon, "and you are the decadent civilization! We will wipe the memory of capitalism from the face of the earth!"

Communism fully intends to conquer the world by or before 1973, and the Reds consider their program to be as much as five years ahead of schedule. In fact, many of Communism's leaders openly boast that they will have a dictator in Washington, D. C. within the next decade!

"When we conquer the United States," Khrushchev is reported to have said, "Sixty million Americans must be removed." Can this possibly happen here in America? A few months ago in Salem, Oregon, an evangelical pastor was approached by a Communist party member in an effort to soften up the Communist cause. When the pastor resisted, he was told that the Communists have a complete record of pastors and members of the churches of Salem in their files ready for action at the appropriate time!

If the Communists did get control of our country, what would this mean to you and to your church? An official publication of the Committee on Un-American Activities of the House of Representatives points out that if Communism should come to the United States it would mean that:

1. If you belong to a church, you must prepare for persecution.
2. The Communists would destroy every copy of the Bible they could find.
3. It would be illegal for your children to attend Sunday school.
4. The Communists would indoctrinate your children in atheism.
5. Church weddings, funerals and baptisms would be illegal.
6. Missionary work would be absolutely forbidden.

Yes, it can happen here, unless you and I, and all Americans decide to get busy and do something about it. What can I do, you ask? Rev. W. S. Mooneyham, editor of an evangelical magazine, says: "Face the facts, no matter how unpleasant. The Communists say this is a fight to the finish. Believe them! Khrushchev says, 'We will bury you.' He means it! Keep your head out of the sand and face the issue squarely.

"Don't be complacent. John Noble, who vanished for nine years in a Russian slave camp, said, 'We are drowning in a sea of complacency. Americans simply do not want to care.' You are your brother's keeper, including the 28 million in slave labor camps behind the Iron Curtain.

"Finally, agitate as a Christian for the righteous forces to take the initiative. We have been on the defensive. A personal acceptance of the gospel message is still the best deterrent to the spread of a godless atheism."

Do you see the peril that is at our very doorstep, and also the challenge that faces us? Then let these words from an article in a French Communist paper, "Paix et Liberté," burn with conviction into your heart: "The gospel is a much more powerful weapon for the renewal of society than is our Marxist philosophy. All the same, it is we who will finally beat you. We are only a handful, and you Christians are numbered by the million. But if you remember the story of Gideon and his three hundred companions, you will understand why I am right. We Communists do not play with words. We are realists, and seeing that we are determined to achieve our object, we know how to obtain the means. Of our salaries and wages we keep only what is strictly necessary; and we give the rest for propaganda purposes. To this propaganda we also consecrate all our free time and part of our holidays. You, however, give only a little time and hardly any money for the spreading of the gospel of Christ. How can anyone believe in the supreme value of this gospel if you do not practice it, if you do not spread it, and if you sacrifice neither time nor money for it? Believe me, it is we who will win, for we believe in our Communist message and we are ready to sacrifice

Dear Mr. Hoover;

I will identify myself as having been a member of the Staff of the Scripps Clinic in La Jolla from 1929 to 1951 during which time I had the pleasure of visiting with you occasionally. You may also recall when I had my suit stolen from the car of my brother-in-law, [redacted] in the Department of Justice building in 1943 or 1944 when his car stall was next to yours! Our older daughter and son-in-law, [redacted], frequently speak of seeing you.

This letter is about a very serious situation which exists in this part of California where we have now been for the past two years - Orange County. This was once primarily an agricultural area which rapidly, infact suddenly, pushed into an urban sphere. This may explain in part the rash of crack-pots and bigoted citizens who are pushing all kinds of "anti-communist" activities. To be sure I am not opposed to anti-Communism but it would be helpful if any of the current plague could be for the U.S.A., our Consttitution, our duly elected officials and our judiciary! Some of the things they say publicly about our judiciary, the elected officials of our national government and the U.S. Constitution are well nigh treasonable and I regret to say none of our federal agencies challenge them even when their un-American utterances comprise the predominant editorials in the County's main and "respected" newspapers. Their attacks on the United Nations, the Security Council, UNESCO, etc., are violent and vicious. To my mind this is an extremely serious state of affairs. These people appear to purposefully work to cause rifts among our population and anti-Communism is all too fine a shelter for un-American citizens who are selfish, egocentric individuals, members of the near traitorous "John Birch Society", (It is difficult for me to understand why Mr. Welch has not been brought to time if the newspaper quotes of his utterances are correct,), resurrected "nazi" personalities and other rif-raf who seem to hope that they may precipitate a social upheaval for the furtherance of their selfish aims. I realize that the people and groups of whom I speak are very powerful politically in this outlandish part of the U.S.A. but they could easily get out of hand! It would be well if they were reined in - particularly as now there is no

such thing locally as "free" speech or "fair representation" through any of our tightly controlled news organs.

Frankly, I am more than fed up with the far right and the far left, and look forward to the day when the average American the man in the middle, can have his say without being castigated by the self-centered microcosm of the so-called far right. Under the name of the "Christian Anti-Communist Crusade" (a sort of modern Klu Klux Klan group) a Southern California Anti-Communist "School" is now being sponsored (in Los Angeles but more than well supported by Orange County) and it is a very dangerous situation for patriotic Americans. I must assume that these misguided individuals mean well but they might just as well be working directly with the OGPU of Russia.

I haven't contacted your local office but the feeling prevails that they have been taken in by the dominant pressure groups because of the latters' money and local political power. It will be a good deed toward internal unity of the Nation if your Agency is able to stymie them . We hope this will be not too far hence.

With all best wishes, and my long-continued esteem,

Sincerely yours,

Addendum: Since dictating the above letter I have been made aware of a letter on the subject at hand which you have recently sent to law enforcement officials. It is excellent. Unfortunately in this County the law enforcement officials are largely at the mercy of the people in the County who are making reckless charges against anyone whom they oppose. The wealth and political influence of those who label as "communist" everyone they disagree with is unusual in this area. One [redacted] a public relations man, is very active as an independent or directed agent of the Orange County "anti-communist" - subversive ? - group and in the opinion of others as well as myself is a dangerous character. He relies largely on promoting himself by his loud and eager support of our "representative" in Congress from Orange Co. [redacted] who likewise heartily endorses and advertises these anti-Communism "schools."

Dear [redacted]

I have received your letter of August 31 and appreciate the concern which prompted your communication. Please accept my thanks for the kind sentiments you expressed.

It was good of you to afford me the benefit of your views and observations relative to the matters you discussed. I have always encouraged citizens to educate themselves to the true nature and methods of the communist movement in order that they may intelligently resist the zealous efforts of its adherents to destroy our form of government. As you have indicated, this knowledge also helps to avoid the danger of confusing communism with legitimate dissent on controversial issues. We cannot use vigilante action or action outside the law in combating communism and it is the responsibility of the people to be certain of the facts and then to report these facts to the proper authorities.

Let me assure you that this Bureau is constantly alert to any violations of statutes relating to the internal security of our country, and you may be certain that the FBI will continue to discharge its responsibilities in this field with the same thoroughness and dispatch which have characterized our past operations.

Sincerely yours,
J. Edgar Hoover

Dear Sirs;

If I have sent this letter to the wrong goverment agency please refer on to the correct one.

Please look over the enclosed pamphlet & tell me -

Is this truly an anti-communist organization

Is it free of commercialism such as private profit from sale of books etc.

Is this an effective way of fighting communism & is it a good idea to distribute these pamphlets.

I realize this is a big order - for you to answer these questions, but please try, or if you can't, can you tell me someone who can.

Thank you

Dear Mr. Hoover,

October 3 through October 7 of this year, we here in Shreveport are conducting an anti-Communism School in conjunction with the Christian Anti-Communism Crusade. Mayor Fant has proclaimed the week of October 1 through October 7 as Anti-Communism Week.

Two of us here had the idea of setting up a booth on the court house lawn with anti-Communist literature displays. We have ordered some books on consignment to be sold without profit to us. We are coming to you with hat-in-hand. Is there anything you have that you can send us either to sell, or to give away? Or, have you any suggestions as to how to make this more effective?

If there is anything you can help us with, we certainly would appreciate it.

It is always good to hear from citizens who demonstrate an awareness of the menace which the threat of communism poses to our Nation's freedoms and who exhibit a desire to combat this evil. It is my firm belief that a broad knowledge of the communist conspiracy is essential if Americans are to effectively resist its influence.

NOTE: Bufiles contain no information identifiable with correspondent. Sullivan to Belmont memo of 9-22-60 indicates that when a representative of the Bureau spoke before the Dallas Freedom Forum in September (which sponsored a school on communism at that time directed by Dr. Schwarz) the Agent commented that Schwarz made several "pitches" for articles and books he had written on communism and his publications were displayed. Neither he nor the Christian Anti-Communism Crusade has been investigated by the Bureau. The Bureau has been recently discouraging requests for publications from persons who are under the influence of Dr. Schwarz since he obviously is capitalizing on our reprint material.

Dear Mr. Hoover:

I have been invited to attend weekly home meetings to listen to tape recordings of speeches made by Dr. Fred C. Schwarz and W. Cleon Skousen, and reading material issued by the Christian Anti-Communism Crusade.

I am a housewife; two children; very active in community affairs. I do not know very much about communism but am anxious to learn, however, I want to be sure I am learning the right way and that what I am reading and listening to is correct.

b6
b7C

Can you inform me if I am going in the right direction. I have been informed that the Christian Anti-Communism Crusade is Communist inspired. How does one go about finding out if a certain group is or isn't. I understand one of the Communists greatest trick is forming groups for good causes and then you find out your in the wrong group.

Also, are there any valid public notices or lists of known Communists working in our Government, if so, how can this be obtained.

Any information that can be sent will be greatly appreciated.

Sincerely,

Tells Rightist Plan To Unite Against Reds

Two thousand right-wing organizations will band together early next year to present a united front against communism, it was announced here Friday night.

The first meeting of leaders of the various groups is scheduled to be held in Washington in January, according to Billy James Hargis.

Hargis, a Tulsa (Okla.) evangelist and president of "We, the People," one of the conservative groups concerned, made the announcement at an anti-Communist rally at Sheraton-Chicago Hotel.

The rally, attended by 500 persons, was held on the eve of his organization's national convention.

He stressed that the coalition will not be a merger of the 2,000 organizations but only an effort to co-ordinate their activities.

Major objectives of the combined groups, he said, would be:

1 To get high schools to teach students more about Communist ideology and its dangers

2 Urge members of various groups to write congressmen to express their views.

3 Help organize more local, conservative, anti-Communist groups.

4 Seek local sponsorship of radio and television shows that warn of the danger of communism.

5 Sponsor establishment of right-wing lending libraries, possibly in homes.

RIGHTISTS CALLED TO UNITY MEETING

Hargis Seeking to Combine Anti-Red Activities

By DONALD JANSON
Special to The New York Times.

TULSA, Okla., Feb. 1—The Rve. Billy James Hargis said tonight that a "conference for the coordination of conservative efforts" would be held in Washington March 18.

The Tulsa evangelist, who directs the Christian Crusade, said he was mailing invitations to the leaders of right-wing organizations and to "Senators and Representatives who have already signified their interest."

Representative John H. Rousselot, Republican of California, endorsed the conference as an "excellent idea."

Mr. Rousselot, here to speak at a rally associated with a Cruade-sponsored "anti-Communist leadership school," is a member of the Hargis group gani- SHL UN UN UN UNN and the ultra-conservative John Birch Society.

Would Retain Autonomy

He said Congress had about 150 "conservative-minded" members.

The aim of the conference is to get rightist leaders to work together without giving up the autonomy of their organizations.

Mr. Hargis declared that 2,000 organizations were "fighting communism." He said he did not propose to merge them, but to establish a structure they could use to better accomplish joint aims. Meetings will be held periodically, he said.

During the week-long leadership school in session at the Mayo Hotel, Mr. Hargis has emphasized that a most important right-wing goal is the election of additional conservative Congressmen to block legislation proposed by the Kennedy Administration.

Mr. Rousselot insisted that political action was also necessary at the state and local levels.

On Tuesday Mr. Harris urged that Gov. Orval E. Faubus of Arkansas be encouraged to run this year against Senator J. W. Fulbright.

"If that be political," he said, "make the most of it."

The Christian Crusade is incorporated at a tax-exempt religious organization under the name of Christian Echoes National Ministry, Inc. A spokesman for the Internal Revenue Service in Washington said the endorsement of candidates could "raise a question of whether the exempt status should be revoked."

The Internal Revenue code x prohibits exempt organizations operated for religious purposes to devote "any substantial part" of their activities to intervention "in any political campaign on behalf of any candidate for public office.'

The organization recently printed in its weekly publication a statement by Representative William Jennings Bryan Dorn, Democrat of South Carolina, calling for aid in electing conservatives to Congress.

"Now is the time to organize and bring our conservative forces together," he said. "Many of our conservative forces are groping in the dark and only fighting unorganized, rear-guard actions.

"Many of them are motivated by personal ambition, and a few even jealousy. I am told that there are more than 2,000 conservative organizations in the United States today. We need to unite on a goal, an immediate goal.

"That immediate goal should be to pool our resources, unite in the common cause, keep our conservative youth movement going, and above all, strengthen our coalition in the Congressional elections of 1962."

Mr. J. Edgar Hoover

Washington, D.C.

Dear Mr. Hoover,

Sun. Sept. 17th the Los Angeles TV station KTLA - Ch. 5 at 7:30 P.M. put on an anti-anti-communist program, very cleverly done, to discredit Dr. Schwarz's Christian Anti-Communist School which held a 5-day rally day and night and was televised four evenings over KTTV, as you no doubt know.

CRUSADE

In the smearing job you were quoted out of context to give the gullible the impression that you disapprove of this anti-communist movement. Bill Stout also said the movement served to set neighbor against neighbor. It does exactly the opposite; it teaches how to recognize a genuine communist so one will not suspect the innocent.

Will you please give me a statement, however brief, of your attitude toward this movement? If your reply is what I think it will be I shall make it public.

Before World War II I wrote you when I suspected there was a Nazi spy in my neighborhood in Augusta, Me. You replied, which I didn't expect. Now I pray that you will reply.

I am a subscriber to Human Events, American Mercury, The Freeman and America's Future, so you know where I stand.

Gratefully yours,

LETTERS TO THE EDITORS,
LIFE MAGAZINE,

New York 20 N.Y.

Dear Sirs:

On page 39 of the september first issue of LIFE there is a two paragraph item designed to discredit and obviously defame a movement created to fight the encrochment of world Communism. It also seeks to smear and discredit the reputation and integrity of DR. Fred C. Schwars in the public eye...

In his zeal to write this smear the writer failed to present the truth. In the first place Dr. Schwarz, the founder of the ANTI COMMUNISM SCHOOL, is not " an evangelest gone secular ". Dr. Schwarz is an M.D. who gave up a lucritive practice of medicine to fight for the preservation of the ideals and freedom of the western world. Secondly: Dr. Schwarz does not preach distrust of neighbors (a characteristic COMMUNIST teaching) as communists or sympathizers. ON THE CONTRARY , he is doing his sincere best to unify and alert the free peoples of the western world to the very real menace and evil effort of Soviet Russia to engulf the world and enslave it's now free people. He and thoes who have joined him in the battle are doing this by informing the public with facts about the red movement which you or anyone else can research if you care to take the effort. The facts and the proff are easily obtained and they are irrefutable. Thirdly: The ANTI COMMUNIST SCHOOL of Dr, Schwarz has no political affiliation in that the war he is wageing is one of philosophies and a way of life... The philosophy of the western world _ freedom of mankind, love of God and country, free enterprise, the right to vote, freedom of choice, the right to worship in church of choice, personal selection of life work, the right to speak freely, etc. ALL this in complete opposition to the cruel, arrogant, ruthless, selfish, God denouncing, world enslaveing,theaving,lying, suspitious, dialectic-materalism of Marxist Communism - Soviet Red Russia. Forth: The people who are engaged in this fight allied with Dr. Schwarz cannot be termed 'crackpots'. They are all well known level headed people with there feet firmly planted on the ground; knowledgable and factual on the subject and who have the common, loving goal to preserve the nobel ideals of America and the God granted priviledges of all free people no matter where they may be.

To denounce the aims and policies of Dr. Schwarz ANTI COMMUNIST SCHOOL is tantamount to denouncing the movement of moral-re-armament and calling it subversive to our country or denouncing the F.B.I. and labeling J. Egdar Hoover a crack pot idiot! Both of these latter we know to be completely and absolutely untrue.

It is the known subversive and traterous groups to falsy label anything that presents a barrier to the Communist ultimate goal of world dominance, And the enslavement of the so called " extreme right-wing ". The general public, in ignorance, accepts the phrase without investigateing and aids in dooming the very thing thet may be working for there best interests.

It seems to me that LIFE MAGAZINE could be more of service to public and country if it would also join the fight to throw back, block and crush the evil red tide of communism. Not to do so is plotting its own destruction.

Very Sincerely Yours,

PLEASE MAKE A COPY OF THIS LETTER , OR ONE IN YOUR OWN WORDS, AND SEND IT TO THE EDITORS OF LIFE MAGAZINE. LET THEM KNOW BY ACTION AND SWAMPING THEM WITH PAPER AND INK THAT WE TRUE AMERICANS AND FREEDOM LOEING PEOPLE DO NOT LIKE SUBVERSIVE AND COMMUNIST SYMPATHIZING MINDED EDITORS OR WRITERS ON THERE STAFF. BUT IT MUST BE DONE NOW. ENLIST THE AID OF YOUR FRIENDS AND THOES WHO WILL WRITE TO JOIN THE FIGHT. LET US SHOW THE WORLD AND KHRUSHCHEVE THAT AMERICANS ARE NOT APATHETIC!

Dear Mr. Hoover,

We have recently been urged by the Frederick Schwarz Christian Anti-Communist Crusade to write to our legislators urging that the Communist Party be outlawed in California.

A few years ago, as I recall, you recommended that the C. P. not be outlawed, as it would make the job of surveillance more difficult for the F. B. I. Is this still your viewpoint? I myself feel emotionally that this menace should be outlawed, but not if it makes the work of the F. B. I more difficult.

Many, many thanks for all you and your wonderful organization are doing and have done in the past to make our country and heritage more secure.

Sincerely,

In response to your request, I would like to point out that it has always been my policy to refrain from injecting the FBI or myself into problems relating to legislation. Within the Department of Justice, the question as to the desirability or undesirability of all legislation is strictly a function of the Attorney General. Correspondent refers to testimony of the Director given before the House Committee on Un-American Activities March 26, 1947, in which Mr. Hoover stated, with regard to outlawing the Communist Party, "I think the activity of this Committee to expose and to bring out into the spotlight the activity of these individuals can do far more good, at least at the present time, than any very restrictive legislation. I wouldn't want to say that I am unalterably opposed to it, but I have my grave doubts as to its wisdom."

It is not felt necessary or advisable to go into further detail in response to her inquiry.

Dear Mr. Hoover:

Since seeing the film "Operation Abolition" I have been increasingly concerned about the education of myself and others in my community concerning what an American can expect from the Communist Party.

At the present time, it seems to me that a group called Four Freedoms Study Group, Inc. of 128 W. Jewel St., Kirkwood 22, Missouri has a program in which I am interested. This group has a "Parent" organization called the Christian Anti-Communism Crusade of which Dr. Fred C. Schwarz is the Executive Director.

I have studied their program outline and it seems to me to be very satisfactory. However, I would like an endorsement of these two groups from you before moving into a positive program of presenting this information to my freinds and neighbors and other townspeople of this community.

As I am planning on working on something of this nature in the near future I would appreciate your prompt reply.

Schwarz is well spoken of and well considered by people competent and qualified in anti-communist fields.

He and his panels have appeared at numerous forums, successfully, and impressively. They have been well run and financially successful.

His themes are the opposite side of the coin from Freedom Foundation - he points out all the dangers of present communist threats, while Freedom Foundation stresses the ideals of Americanism. They go together well, although quiet opinion indicates the additional element of attack against "the welfare state", "creeping socialism", "free thinkers", etcetera. These obviously serve to upset many liberal groups in Washington.

It does not represent extreme rightest views such as the John Birch Society, but through lectures, forums, seminars, endeavors to apprise audiences to the dangers of communism within the United States, and the role of left wing socialists or free thinkers, leading to communism.

Unverified estimates state the Crusade, a tax free organization, received in donations in 1957 $63,000, in 1958 $115,000, 1960 $380,000, and it was predicted 1961 would take in more than $1,000,000.

The Crusade reportedly has offices in Long Beach, Cal., Houston, Tex., San Francisco, Cal., Philadelphia, Pa., and Sydney Australia.

Dr. Schwarz has "lectured to" the staff of the "Committee on Un-American Activities" of the House of Representatives on May 29, 1957, his subject being "International Communism - (the Communist Mind)".

Dr. Schwarz and Dr. Benson (of Harding College) have been reported to have lectured at many military bases. This presumably is "past tence" because of current furors and objections led by Senator Fulbright and other liberal Congressional members. Nonetheless, indications are that they or William Strube (representing the Crusade) spoke at Corpus Christi - sponsored by a senior Naval officer, in New Orleans sponsored by a senior Air Force and a senior Naval officer, similarly in Houston, Fort Smith Arkansas, Glenview Naval Air Station and elsewhere. The names of these officers are available as of public record.

Their subjects are all strongly anti-communist, and parallel "Project Alert" sponsored by the Navy League of the United States, but perhaps more strongly and with more professionalism. Subjects also parallel in theme "Operation Abolition" and "The Communist Encirclement", both bitterly criticized by Norman Thomas and many

left wing groups.

2. "Human Events" of September 15, 1961, reports:

"TV Event - California Story: The broadcasting industry in Washington and New York is excitedly studying a recent television event on the Pacific Coast, the apparent lessons of which are that an anti-communism program on TV can surpass standard "Entertainment" shows in viewer popularity, boom broadcasting stations and increase business for enterprising commercial sponsors.

"The event was the four-day Anti-Communist School held August 28-31 (inclusive) in the Los Angeles Sports Arena. (Advance notice was given in a recent issue of HUMAN EVENTS.) Proclamations announcing the School meeting were made by mayors of 31 Southern California cities, including Los Angeles. It featured addresses by Senator Thomas J. Dodd (D.-Conn.), Congressman Walter H. Judd (R.-Minn.), former Federal Bureau of Investigation agent Herbert Philbrick, W. Cleon Skousen (author of 'The Naked Communist') and Dr. Fred C. Schwarz (director of the School).

"Spurred by the promising preparations for the event, Richard A. Moore, president of the Times-Mirror Broadcasting Company (owned by the Los Angeles Times newspaper), had his station, KTTV, cancel all regular programs between 7:30 and 10 p.m. for four consecutive nights to telecast the School's proceedings.

"Station KTTV reaches 2.6 million homes with television sets in an area extending from Los Angeles south to San Diego, east to San Bernardino-Riverside and north to Santa Barbara. All local papers gave wide publicity to the anti-communism meeting.

"Patriotic executives of the Richfield Oil Corporation took a chance and sponsored all four broadcasts - no mean financial commitment - without the usual commercial messages. Audiences showed recognition of the sponsor's effort with standing ovations at the School sessions when references were made to Richfield.

"Television spokesmen described as "startling" the audience which developed overnight. On Wednesday and Thursday, August 30 and 31, special viewer samplings established that more people watched the Anti-Communist School than any other program, including such network attractions as "Wagon Train" and "The Untouchables." The average evening audience was estimated at one million; it was also estimated that a total of three million watched all or part of the four-day proceedings.

"It is reported that Richfield dealers and business offices have been swamped with favorable comments and applications for credit cards, etc. Station KTTV has received a big volume of cards, letters and expressions of thanks.

"In Washington trade circles, the conclusion is drawn that if people in other areas are in any way similar to those in the Los Angeles area, the public is desirous of seeing and hearing programs which will inform them about the dangers of communism. Perhaps this Los Angeles phenomenon may be the start of a new nationwide development. 'When the folks turn off "Wagon Train" for anti-communism...'"

3. A qualified professional source indicated the following:

The United States is in an all out war with the Soviet Union. This war involves communism in all its phases - hot - cold - psychological - or other, including shooting. Anything that clarifies this and impresses these dangers upon the American people and members of the Armed Forces cannot help but aid our country and our efforts to combat these great dangers. This includes the efforts of many groups among which are:

Freedom Foundation on the positive side of Americanism.
Christian Anti-Communism Crusade - on the dangers of the communist conspiracy.
National Education Program - on communist encirclement.

This does not mean, however, that everything these groups may do is correct or in keeping with many other views in Washington.

Unfortunately, there are those who are opposed to such activity, particularly to do with the Military. One of such individuals is Senator J. W. Fulbright whose interrogations of the Secretary of Defense have aroused great criticism, but nonetheless, caused restrictions within the military establishments such as:

Restriction of speeches of General Trudeau, General Walker and Admiral Burke.

Among those strongly opposed to such restrictions are:

Senator Barry Goldwater
Congressman Walter Judd
Senator Thomas J. Dodd
Senator J. Strom Thurmond

It is stated that the restrictions among the military are also stemming from Arthur Sylvester, Assistant Secretary of Defense, ex Newark newspaperman, who is described in rather harsh terms by several sources quoted herein.

This has been mentioned because these restrictions have added greatly to the public support being given to such groups as this memorandum discusses - and undoubtedly strong support from many, many senior retired officers.

4. Another well-known, competent and qualified source in these fields advises that Dr. Fred Schwarz possesses enormous information on communistic activities and that there is no question concerning his motivation. Schwarz is said to have conducted 25 or more seminars throughout the country, each of which has been well attended and created great interest. They have been well organized and have received fine support. There have been no monied owed; all bills paid. Support has been received from many individuals and corporations. Among those mentioned were J. Howard Pew of Pennsylvania, the Allen Bradley Company, the Richfield Oil Company.

The source indicated that Schwarz is of great strength and value in the anti-communist field, and if one were pressed to find an Achilles heel in the picture it might be that Schwarz is now expert enough to be classified as a "highly qualified professional" rather than as just an "aroused individual."

The source added that Schwarz possesses a fine panel which he uses over and over again at each of these seminars. They are well qualified and do a splendid job. It is felt that he does an excellent but negative job -- negative only in the sense that he is not putting forth any positive approach toward finer Americanism but that he does an excellent job in exposing "the mess that we are currently in."

5. A still different, and equally qualified source, indicated that he knows of nothing bad concerning Dr. Fred Schwarz. He stated Schwarz had been unfairly attacked in the New York Times several times and improperly linked with the John Birch Society.

This source added that Schwarz concentrated heavily on the ideological and spiritual conflicts of the communist conspiracy and not very much on military and economic aspects. He described Schwarz as honest, decent, and effective.

Dear Mr. Hoover:

This letter will be succinct! I had written you a couple of weeks ago and you were nice enough to reply, although in the negative re some requested items I had made. I completely understand your situation with your budgetary limitations, and thank you anyway for the prompt reply.

Enclosed please find a tract that our new Hollywood Christian Anti-Communism Movement is distributing. I'm its President. Undoubtedly you've seen these tracts before, as they are the ones produced by Dr. Fred Schwarz' Christian Anti-Communism Crusade. We're pretty much patterned after his fine organization.

The purpose of this letter, Mr. Hoover, is to merely acquaint you with our group. Not ALL Americans are "intellectually lazy." We consider ourselves dedicated Christian men and women. We fully expect to have mud slung at us by the many Reds crawling throughout the professional entertainment industry. We're all in it -- I'm an actor. We wish to awaken our fine industry to the Red menace that threatens us -- and then TAKE aggressive but prayerful action to stamp out said menace. Lord willing we can and WILL do this.

This letter is duplicated and a copy is being sent the local office of your FBI organization. I've requested they put our notices, letters, pamphlets, et al, on file so we may be on "record." Correct me if this is wrong, but in the future I'd like to send main copies to L.A. with a duplicate to you, sir, so you may be kept up to date on our work. If this proves awkward please inform me as to the best direction to take.

Thank you for your time and consideration. I leave now assuring you of our prayers and dedicated efforts as citizens to keep America "free." May our wonderful Lord continue to guide and bless your vital work.

In His name,

Bob Turnbull

Dear Mr. Turnbull:

I have received your letter of September 30, with enclosure, and I want to thank you for your thoughtfulness in writing and for your kind prayers.

In response to your suggestion relative to furnishing material to our office in Los Angeles with duplicates being sent to FBI Headquarters, I want to inform you that I have no objection to your distributing these items in the manner you indicate.

Sincerely yours,

NOTE: Only reference in Bufiles identifiable with correspondent and this movement was an outgoing to him on September 25 in response to his letter of September 19. We have declined furnishing reprint material to him inasmuch as he indicated a close relationship with Dr. Frederick C. Schwarz with whom our relations have been most circumspect in view of his opportunistic activities, and we have declined to furnish reprint material to Dr. Schwarz's organization. JCF:js (4)
